Yahoo Group Archive: ylrl

Yahoo Group summary: YLRL (Young Ladies' Radio League) is a nonprofit organization of women Amateur Radio Licensees that was organized in 1939. We exist to encourage and assist YLs (Young Ladies) throughout the world to enter into the Amateur Radio Service. YLRL provides a bimonthly newsletter, YL Harmonics, 2 scholarship to worthy YLs to continue their education, contests and a program of specialized service to blind YLs through the Tape Topics program. This group exists for YLRL members to find out the latest occurring in YLRL. Check out our website at http://www.ylrl.org

These Yahoo Groups messages were archived in WARC format by ArchiveTeam in 2017. This PDF was generated by Digital Library of Amateur Radio & Communications from the WARC files in 2026.

From: kc4iyd
Topic: 1 Message: 1

Hello all,

Welcome to the YLRL yahoo groups. I am the moderator so if you have any questions, feel free to email me or reply to this message.

One important note, you can set the this group up so that you do not receive any email at all. You will only see the messages that are posted when you log into the board. That will prevent your mailbox from getting full when we have a lot of folks posting messages. You can modify this option under the "Edit My Membership" link located in the upper right hand side.

The group right now is only open to YLRL members because we are in need of a way to communicate to the membership YLRL-related issues and news. If you allow your membership to lapse, you will be removed from this group.

As with other groups, foul languages or verbal attacks on or about any members on this list will not be tolerated. And most importantly, remember, whatever you post will be seen by all. So enjoy and have fun.

33/76 de kc4iyd/8

Nancy ...
Thanks for setting up this group. I think it's going to be very beneficial to YLRL and an excellent way to communicate. I belong to several reflectors, and they seem to be the best way to get the message out to all the members at once, plus a great forum for discussion of issues.
Hope to see it very active...

6. New poll for ylrl

Yahoo group: ylrl
Date: 2004-08-07 14:16:48 UTC
From: ylrl@yahoogroups.com
Topic: 6 Message: 6

Enter your vote today! A new poll has been created for the
ylrl group:

Let's try this poll just to see what how
we got into amateur radio. --- I first
became interested in amateur radio
through...

o school program
o Scout program
o Seeing hams at a public event
o A family member
o A friend
o A local radio club
o Something I read in magazine/newspaper/web
o My job
o None of the above

To vote, please visit the following web page:
http://groups.yahoo.com/group/ylrl/surveys?id=673823

Note: Please do not reply to this message. Poll votes are
not collected via email. To vote, you must go to the Yahoo! Groups
web site listed above.

Thanks!

7. New Items

Yahoo group: ylrl
Date: 2004-08-07 14:25:17 UTC
From: kc4iyd
Topic: 7 Message: 7

Hi all,

I just created a new poll as a way to see how we all got interested in ham radio. If you have ideas for another poll, let me know. Right now this poll doesn't have an end date but will end when I close it. I figure we will keep it open as others join.

In case you didn't know, YLRL still has 2 webapges. Our old one is at http://www.qsl.net/ylrl and our "official" page is at: http://www.ylrl.org. We will be migrating stuff from the old page to the new one but Cheryl N0WBV wants to make sure the items going on the new page is current and accurate. Also, the YLRL page has some info about the DXpedition to Grenada. For those that didn't see it, here it is:

Novice YL DXpedition to Grenada Needs You!
Several YLs are planning a DXpedition to Grenada and are looking for other YLs who would be interested in participating. We want YLs to be aware of this great novice DXpedition opportunity. The dates are November 13-30 and the group will help you with licensing. OMs are welcome, too. The rooms will be given a discount if we can book 5 rooms by the end of August. There is shopping, beaches, snorkelling, SCUBA and GREAT spices. Plus the hotel is a short walk to the beach. For more info, contact Cheryl N0WBV at n0wbv@...

Note: You don't have to stay there the full 17 days, just the number of days you want to.

Nancy

9. Yea for the Board

Yahoo group: ylrl
Date: 2004-08-10 22:00:32 UTC
From: hamdivers
Topic: 9 Message: 9

Hi everyone!

The Board has all it's information. We will definitely be going to the members with questions and looking for suggestions.
Getting the members on this site will be great for opinion polls and for membership votes that are needed to change By-laws.
Thanks to everyone for all there help. Nancy what about a poll on the Board Meeting? Just a thought. Thanks again for all the help.

11. Chat scheduled for the evening of 8/16 and 8/17

Yahoo group: ylrl
Date: 2004-08-16 21:30:10 UTC
From: kc4iyd
Topic: 11 Message: 11

Hi everyone,

A couple of folks suggested we try to chat so I am going to try to be around this evening for a chat at 10pm EST, which is 9pm CST, 8pm MST and 7pm PST. I will also try to be around the same time tomorrow night, 8/17.

To use the chat function, just click on the word "chat" on the left and it should turn on. You will need to have java on your machine. If you are not sure if you have it or not, when you click on chat, you will either be able to enter chat mode or not. If you cannot chat, then send a message to the list. Sometimes, depending on how your computer is configured, it may nothave java enabled or you may have to download it. If that is the case, let me know which browser you are using, Internet Explorer (IE), Netscape, Mozilla or Opera and if you are on a PC or Mac.

OK, hope to chat with some of you tonight.

Nancy
kc4iyd/8

P.S. Sorry for the short notice but we can always try to have a regular chat a certain time each evening too.

I'm not sure that this site is the best in the world, but at least we can make contact and deal with the inconvenience of being bounced!
It was great to be in touch last night.
I'll check each evening, but will be out of town for Robert's wedding Thurs through Sun
We'll be in Albany NY - anybody there?

39. Looking for YL information for WR column

Yahoo group: ylrl

From: N0WBV
Topic: 39 Message: 39

Hi all!

My deadline is coming up for the YL column in WorldRadio. I am
looking for YL doings and happenings in the recent past.
Haven't heard much through the usual grapevine. Let me know
what's been going on-hamfests, YL booths, Dxpeditions etc.
Thanks for the help in advance.

33 & 73,
Cheryl, N0WBV

41. Ohio QSO Party

Yahoo group: ylrl

From: kc4iyd
Topic: 41 Message: 41

Hey all,

Just wanted to let you all know that the Ohio QSO party is this weekend. I will be out of town and cannot participate but the Buckeye Belles and Chix on Six and Two YL Club are sponsoring a plaque for the highest scoring in-state YL and highest scoring out-of-state YL, respectively. Last year, Carolyn N8ST won the plaque for in-state YL and Louisiana's Deandra Norred-Forrest, KD5MDO was the out-of-state YL winner.

Here is the url for the details:
http://www.oqp.us/

Additional details:
Start-Finish:1600Z - 0400Z, Weekend of August 28th 2004.

Frequencies:CW 3545, 7045, 14,045, 21,045, 28,045 kHz; SSB 3850, 7225, 14,250, 21,300, and 28,450 kHz.

Categories: SO, MM, and Mobile, Rover.

Exchange: Serial Number and state or province, DX stations send "DX." (Ohio stations exchange serial number and county.)

QSO Points: CW--2 pts, SSB--1 pt.

Score: QSO points x OH counties (OH station count states, provinces and OH counties).
Mults count once per mode.

Good Luck and have fun
Nancy

Anne,

We were on around 8pm and didn't see anyone. I had a long distance call later that evening and then watched the Indians-Yankee baseball game. The Cleveland Indians humiliated the New York Yankees, 22-0. I'm from NY but I root for the NY Mets so in this case I was rooting for the Indians.

I will try to be on tomorrow evening between 8-9pm EST.

54. Directory Issue

Yahoo group: ylrl
Date: 2004-09-02 01:23:06 UTC
From: kc4iyd
Topic: 54 Message: 54

Hi all,

I don't know if many of you are aware of this but Carol KI8IM and I will be doing the Sept/Oct YLH directory issue. This issue will be the 8.5x11 in size, one that I think a lot of the YLs prefer, mainly because of the larger size.

To that end I would like to start a discussion of what you liked and didn't like about the past Directory issues. After some discussions, I will put up a poll to narrow down the choices since there will be a limit as to the size of YLH.

Here is a list of what has been in the YLH directory issues in the past. Feel free to comment on whether is was useful, somewhat useful, if you even looked at it, don't remember it was there or think that item should just be omitted.

--Officers/DC/committees/etc full name/address/phone
--YL nets
--YL Contests (full contest info vs. condensed info)
--YL certificates
--NA YLs listed in callsign order by suffix
--phone number/email address/packet address for YLs
--YLRL Constitution
--YLRL By-laws
--YLRL Procedures
--one page tri-fold YLRL flyer for hamfests/etc.
--YLRL supplies listing on back
--small blurb highlighting the interests of YLs/children/when they joined YLRL
--for YLs living in districts outside their call areas, list them in their callsign call area with a note stating, "see district X"
-- include "/X" for those YLs outside their call area (ie kc4iyd/8)
--listing of SK

Now is there something you've never seen in the directory issues or seen only once and would like to see again?

Finally, I've noticed that several of the past YLH Directory issues have been dedicated to different events and/or people over the years. Is there any one YL or person, any group or any particular event you feel the 2004 issue should be dedicated to? If so, let discuss it.

I am glad to know that the directory will be the larger size and hopefully larger print. I think for this year it is going to be too difficult to do the bio info but I think it would be a good idea for next year to get all the YL's to submit a full reapplication with information for a bio. That would do 2 things..make sure we have current info and update the database.
As for SK..I think we should only do the ones from the last directory
I am not sure we should dedicate the directory. I would rather we do some other form of recognition

From: sara_lyon2002
Topic: 54 Message: 59

Hi Nancy, Here are a few thoughts on the directory!

I like the idea of slightly larger print. I would especially like to
see the list of officers and Committee chairwomen in larger print.
The e-mail addresses in the current directory are very difficult to
read! ☐ especially when printed on bright pink! I realize that a
brightly colored cover makes it easier to locate it. (I liked the
bright yellow cover of 1998 and I especially liked the Web page
address, dates of the contests and suggested frequencies printed on
the inside of the front cover in the 1999-2000 directory.

It should have a substantial cover that won't tear easily.

Very Important -Officers/DC/committees/etc full name/address/phone
Yes--YL nets
full contest info ☐ especially since there will be some changes.--YL
Contests (full contest info vs. condensed info)
Yes--YL certificates
Yes--NA YLs listed in callsign order by suffix
phone numbers optional--phone number/email address/packet address for YLs
Yes--YLRL Constitution
Yes--YLRL By-laws
Yes--YLRL Procedures
YES--one page tri-fold YLRL flyer for hamfests/etc.
OK--YLRL supplies listing on back
--small blurb highlighting the interests of YLs/children/when they
joined YLRL
OK--for YLs living in districts outside their call areas, list them in
their callsign call area with a note stating, "see district X"
OK-- include "/X" for those YLs outside their call area (ie kc4iyd/8)
Yes--listing of SK

A page with procedures for change of address, renewal ☐ with receiving
treasurers highlighted. Perhaps with drawings to draw attention to
the page so readers can find it easily.

No thoughts on dedication.

Topic: 60 Message: 62

HI,
The Grant Amateur Radio Club Hamfest will be November 6, 2004. I'd like to have some of both for the free table if that's all right. I can't handle a table just for YLRL because I'm running the testing session, but I'll be sure to put them out for other YL's to take. This hamfest routinely has an attendance of about 400+ each year ... although we all know the percentage of YL's to OM's is small, but they do hold YL raffles each year, so there are quite a few YL's there.
By the way, does the YLRL ever give out a free membership to be given away as a prize at a hamfest? I could see that it gets into the YL only raffle. Just a thought.

I like this size also. It's not only easier to read, it's easier to store,
and it's more difficult to loose. At least for me. <grin>

>Here is a list of what has been in the YLH directory issues in the
>past. Feel free to comment on whether is was useful, somewhat useful,
>if you even looked at it, don't remember it was there or think that
>item should just be omitted.
>
>--Officers/DC/committees/etc full name/address/phone

I like this, but do we really need phone numbers published? I think e-mail
addresses would be better than phone numbers.

>--YL nets

Yes, definitely.

>--YL Contests (full contest info vs. condensed info)

Full contest info -- yes.

>--YL certificates

yes.

>--NA YLs listed in callsign order by suffix

yes.

>--phone number/email address/packet address for YLs

Again, phone numbers could be left out. Addresses, e-mails, and packet
addresses should be put in.

>--YLRL Constitution

Is this the only way to get the constitution to members? I think it
probably is, or at least the easiest way to do it. I say ... yes for this
one, because it keeps all the YLRL information in one place.

>--YLRL By-laws

Yes again, same as above.

>--YLRL Procedures

yes again. see above

>--one page tri-fold YLRL flyer for hamfests/etc.

yes, good idea also.

>--YLRL supplies listing on back

probably good also, but it is in every issue of the YLH, so if you're hurting for room, this could be left out.

>--small blurb highlighting the interests of YLs/children/when they
>joined YLRL

This would be nice if you have room, but could be left out in my opinion.

>--for YLs living in districts outside their call areas, list them in
>their callsign call area with a note stating, "see district X"

yes.

>-- include "/X" for those YLs outside their call area (ie kc4iyd/8)

yes.

>--listing of SK

no. I think when someone becomes an SK, this should be noted (perhaps with a small article about her) in the regular issues of the YLH, but isn't something that should be in the directory issue.

>Now is there something you've never seen in the directory issues or
>seen only once and would like to see again?
>

Perhaps a membership number ... Total number of members, and then maybe a total for each district, etc.

>Finally, I've noticed that several of the past YLH Directory issues
>have been dedicated to different events and/or people over the years.
>Is there any one YL or person, any group or any particular event you
>feel the 2004 issue should be dedicated to? If so, let discuss it.

Can't think of any. Not sure this is needed, unless there are some guidelines set down for it. Otherwise, people may become upset that this issue was dedicated to one person and not another. Personally I don't have a problem with it, but others might.

OK, there are my opinions. I hope they are some help.

Topic: 65 Message: 65

Hey all,

Sorry for the short notice but want to remind everyone that the YLRL Howdy Days contest is going on this week. Info is listed below. I was pre-occupied with Hurricane Frances that went through Fl and how my folks would fare (they are in Ft. Lauderdale and had no damage) and now the remnants of Hurricane Frances is causing rain, wind and thunderstorms here in Ohio, so if I get on, I won't be able to stay on long.

Howdy Days
CW & SSB: 1400 UTC September 8, 2004 to 0200 September 10, 2004

ELIGIBILITY: All licensed women operators throughout the world are invited to participate.

PROCEDURE: Call "CQ YL."

OPERATION: All bands and modes of emission may be used. A station may be worked and counted once on each band and mode for QSO points. The maximum power output that may be used at any time during the contest is 750 watts on CW and 1500 watts PEP on SSB. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be indicated in the log. RTTY will count as CW.

EXCHANGE: YLRL member or non-YLRL member? Entries in log must also show date, time, band, call or station worked. SCORING: Score two points for each YLRL member worked and one point for each non-YLRL member worked. There are no multipliers.

SUGGESTED FREQUENCIES: Try listening around 7.233, 14.288, 14.298, 21.388, 28.433 on voice, basically frequencies ending in 33 or 88. Similarly for CW.

LOGS: All logs must show if operator is a YLRL member or non-member to be eligible for awards.

AWARDS: Top scoring YLRL member will receive her choice of a YLRL pin, charm, or stationery. Top scoring non-YLRL member will receive a one-year YLRL membership.

Logs go to YLRL's Current Vice-President:
Mary Moore WX4MM,
216 Lee Road 343
Salem, AL 36874
Email: wx4mm@...

Hey all,

I will be home from work this evening around 4:30pm EST.

I will be calling CQ YL both 40 and 20m around 7.233 and 14.288 so if you hear me, give me or shout or try to get on. I work during the day so can't get on earlier.

Nancy
kc4iyd/8

P.S. we've been getting nothing but rain, one community near me already received over 5 in. of rain from the remnants of Hurricane Frances.

67. YL Anniversary Party (YL-AP) in Oct 2004

Yahoo group: ylrl
Date: 2004-09-23 04:29:01 UTC
From: kc4iyd
Topic: 67 Message: 67

Hey all,

You can read the rules at: http://www.ylrl.org/ylcontests.html but
I've also listed them below:

YL Anniversary Party (YL-AP)

CW:1400 UTC October 6, 2004 to 0200 UTC October 8, 2004
SSB: 1400 UTC October 13, 2004 to 0200 UTC October 15, 2004

ELIGIBILITY: All licensed women operators throughout the world are
invited to participate. Only YLRL members are eligible for the cup
awards. Non-members will receive certificates. Only YLRL members are
eligible for the Corcoran and Hager awards.

PROCEDURE: Call "CQ-YL".
OPERATION: All bands may be used. No cross band operation. Net
contacts and repeater contacts do not count. A station may be worked
and counted once on each band. Participants may work only 24 hours of
the 36 hours in each contest. Operating breaks must be indicated in
the log.

EXCHANGE: Station worked, QSO number, RS(T), and ARRL section/VE
province/country.

SCORING:
(1) CW and SSB are scored as separate contests. Submit separate logs
for each contest.
(2) All YLs within one of the U.S. ARRL sections or within a Canadian
province shall score one point for each QSO with another station
located within a section or province. Score two points for each
contact with a station not located within an ARRL section or province,
i.e., DX. (DX stations are defined as those not located within an ARRL
section or province.)
(3) DX YLs shall score two points for each contact with a station on
another continent and one point for each contact with a station on
their own continent.
(4) Multiply the
number of contact points by the total number of different sections,
provinces and countries worked.

LOGS: All logs must show the operator's ARRL section/VE province/or
country to qualify for awards. Logs must also state whether or not the
operator is a member of YLRL. For each QSO, logs must show the station
worked, time, band, and date. Logs must also state the power output
used. If you have 200 or more QSOs, submit a separate log for each
band and submit a "dupe" sheet. Remember to file separate logs for

each contest. Logs must show claimed score.

AWARDS:For the YLAP, cups will be awarded for both the NA-YL and the DX-YL with the highest CW scores and for the highest SSB scores. Only YLRL members are eligible to receive cups. If the winner of either contest is a non-YLRL member a first place certificate will be awarded. If a YL does not wish to receive a cup a first place certificate may be awarded. Second and third certificates will be awarded for each contest. The highest CW and the highest SSB score in each district, province and country will receive a certificate. Certificates will be awarded only if there are at least 10 valid contacts on the log.

CORCORAN AWARD: a plaque given for the highest combined CW and SSB score for YLRL members within a state or province

HAGER AWARD: A plaque given for the highest combined CW and SSB score from North and Central America, including the Greater and Lesser Antilles, for YLRL DX members only. A duplicate plaque given for the highest combined CW and SSB score from any other part of the world, for YLRL DX members only.

68. YLH 2005 Directory issue

71. opening this group to all YLRL members

Yahoo group: ylrl
Date: 2004-11-16 00:06:23 UTC
From: kc4iyd
Topic: 71 Message: 71

Hi all,

I want to get everyone's input about opening this list up to all YLRL members. That was the original intention and at first I only sent an email to the officers. However, I know we have one or two regular members and I think we need to do more to promote this group. As was originally stated, this group is for YLRL members to discuss issues associated with YLRL and to pass along information, like the convention, contests and other YLRL related issues.

If everyone or a good number is in agreement, I will put something up on the YLRL site and give it to the newsletter editor.

Opening the site to all YLRL members sounds great but it would be nice to have something set aside for officers only for board meeting and special discussions.

Topic: 76 Message: 78

Hey all,

That is easy enough to do. We already have some non board members on this list and with just the name YLRL, it would be better to make this list for all members and create a new list for just board members and call that ylrl_bd_members. That way we can discuss policy and stuff like that.

Nancy
kc4iyd/8

P.s. Anyone know someone with an email that starts out bridgeman2742@... is? They requested to join this group but the email isn't familiar. I sent them an email asking for their name and if they were a YLRL member but haven't gotten a response. I don't want to list the whole email address. If you know it, will you respond directly to me via email and not on this list. Thanks

79. TIME Magazine doesn't like ham radio

Yahoo group: ylrl
Date: 2005-01-05 00:24:07 UTC
From: kc4iyd
Topic: 79 Message: 79

Hi all,

Haven't seen any discussion here so figured I would post this.

The December 27 issue has an article on "blogs" on page 109. (Note: Blogs are However, where TIME really shows it doesn't know what hams do is in this exerpt at their website: http://www.time.com/time/press_releases/article/0,8599,1009842,00.html which reads:

In TIME Magazine's honoring of their Blog Of The Year, Lev Grossman writes:

"Before this year, blogs were a curiosity, a cult phenomenon, a faintly embarrassing hobby on the order of ham radio and stamp collecting."

There is a full press release about "Blog Of The Year" but only TIME subscribers are allowed to view it on-line or if you bought the Magazine, you can read the whole article.

Now being both a stamp collector and an amateur radio operator, I take double offense. From what I've been told, hundreds of hams have been bombarding TIME at their address at: letters@.... I've composed a response and sent it off but figured others might want to also. I know on the qrp listserv several folks wrote about how its amateur radio that is providing helping after the tsunami that hit Asia and amateur radios role in general. Another person, similar to what I wrote in my email, mentioned that both ham radio and stamp collecting are hobbies that families can do together and that brings much joy and there is nothing embarassing about it. I also know that the ARRL media affairs dept. is also sending a letter to TIME magazine.

80. New poll for ylrl

Yahoo group: ylrl
Date: 2005-01-05 00:53:09 UTC
From: ylrl@yahoogroups.com
Topic: 6 Message: 80

Enter your vote today! A new poll has been created for the
ylrl group:

If you could only participate in one
YLRL contest, which would it be?

o YL-OM Contest
o DXYL to NAYL Contest
o Howdy Days
o YL-AP
o I don't work YLRL contests

To vote, please visit the following web page:
http://groups.yahoo.com/group/ylrl/surveys?id=929055

Note: Please do not reply to this message. Poll votes are
not collected via email. To vote, you must go to the Yahoo! Groups
web site listed above.

Thanks!

82. YL contest in February

Yahoo group: ylrl
Date: 2005-02-02 03:41:24 UTC
From: kc4iyd
Topic: 82 Message: 82

Hey all,

Figured some of you might be interested in the following upcoming
contests:

YL-OM Contest,
February 5-7, 2005 CW; February 12-14, 2005 SSB
For details go to:
http://www.ylrl.org/ylcontests.html#YLOM

YL-ISSB QSO Party 1100Z, Feb 5 to 1700Z, Feb 6, 2005
For details go to:
http://www.hfradio.org/yl-issb/index1.htm
click on QSO party

84. YLRL 2005 convention hotel info is up on the web

Yahoo group: ylrl
Date: 2005-03-01 02:48:03 UTC
From: kc4iyd
Topic: 84 Message: 84

Hey all,

I just got the 2005 YLRL Convention info on the ylrl website at: http://www.ylrl.org and its also listed below. I am still working on the Convention page so it only has the hotel info now.

2005 YLRL Convention
Hotel Denver Tech Center (Formerly the Hilton DTC)
Denver, Colorado
August 11 - 14, 2005
HOTEL RESERVATIONS must be made by contacting:

The Hotel Denver Tech Center
7801 E. Orchard Rd.
Greenwood Village, CO 80111-2508
USA

For reservations call: 1-800-327-2242 or locally (303) 779-6161 during standard business hours Monday-Friday, 9AM-5PM or e-mail reservation requests to reservations@... You must ask for the Young Ladies Radio League Rate to receive the discount. The special rate of $75.00 plus tax will also be available for up to 3 days before and 3 days after our event.

Reservations must be made before July 28, 2005 to guarantee this room rate and a credit card is required at the time of booking to guarantee the reservation. The hotel has elevators and ramps for easy accessibility. The hotel also has space (But no hookups) so that RVs may be parked in the Parking Lot. There is also a KOA campground in Castle Rock, Colorado about 30 minutes south of the hotel.

BTW - I am in the process of switching from a PC to the mac and with the exception of transferring quicken files, things seem to be going ok.

86. DX YL to North American YL Contest

Yahoo group: ylrl
Date: 2005-04-02 23:35:57 UTC
From: kc4iyd
Topic: 86 Message: 86

Hi all,

Just a reminder that the DXYL to NAYL contest is coming up this week:

==========
DX YL to North American YL Contest

CW:1400 UTC April 6, 2005 to 0200 UTC April 8, 2005
SSB:1400 UTC April 13, 2005 to 0200 UTC April 15, 2005

ELIGIBILITY: All licensed women operators throughout the world are invited to participate.

PROCEDURE: DX YLs call "CQ North American YL". North American YLs call "CQ DX YL."

OPERATION: All bands may be used. Contacts with OMs do not count. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be shown in the log.

EXCHANGE: Station worked, QSO number, RS(T), ARRL section/VE province/country. Entries in log must also show time, band, date, and transmitter power.

SCORING: (1) Phone and CW will be scored as separate contests. Submit separate logs for each contest. (2) DX YLs, including Hawaii and Alaska, may contact all the North American continent, which includes the 48 contiguous states and the Canadian provinces. (3) Contestants on the North American continent (including the 48 contiguous states and Canadian provinces) may contact DX YL stations, including Hawaii and Alaska. (4) A station may be counted once on each band for credit and one point is earned for each station worked once on each band. (5) Multiply the number of QSOs by the number of different ARRL sections/VE provinces/countries worked. A multiplier is counted only once in the contest. (6) Contestants running 150 watts or less on CW and 300 watts PEP or less on SSB, at all times, may multiply the results of 5) above by 1.5 (the low power multiplier).

LOGS: All logs must show your ARRL section/VE province/country to qualify for awards. For each QSO, logs must show the station worked, QSO number given and received, RS(T) given and received, ARRL section/VE province/country of station worked, time, band, and date. Logs must also state the power output used. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. Photocopies are OK, but not carbon copies will be accepted. File separate logs fore each contest.

Logs go to:
Mary Moore WX4MM,
1593 Lee Road 375
Valley, AL 36854
Email: wx4mm@...

87. Dayton Hamvention and YLs

Yahoo group: ylrl
Date: 2005-04-23 14:19:23 UTC
From: kc4iyd
Topic: 87 Message: 87

Hi all,

Just wanted to give everyone a heads up...

The YL Forum will be Friday May 20 from 2:45-3:45 in Room 1 at the Dayton Hamvention. see: http://www.hamvention.org/forums.html

The Buckeye Belles/YLRL booth located inside the Hara area at location 96c, (or 96 on the map) right outside the ramp to the cafeteria

Here is the link for the Hamvention map: http://www.hamvention.org/boothlocations.html

I will be helping out by manning the Buckeye Belles/YLRL table. Hope some of you will be there to.

Also, the latest YLH is out and information about this group was included. So far one new YL has joined but I'm hoping more YLs will join so we can start some more discussions on this list.

91. Contest on the Tonight Show, 5/13

Yahoo group: ylrl
Date: 2005-05-13 20:36:35 UTC
From: Marcie Mathis Stilwell
Topic: 91 Message: 91

Hi,
I thought this sounded interesting...

Friday May 13th, the Tonight Show will feature a message sending/receiving contest between a cell phone text messaging team and a morse code team. The morse code team will consist of Chip Margelli, K7JA and Ken Miller, K6CTW. Chip and Ken do a lot of contests and DXpeditions. Joe Drago, props manager for the show, is KF6OCP.

73, Marcie, KC7DAT

I missed the show but several folks did tape it and here is link to it:
http://www.tarc.org/index.php?load=leno

Also earlier this month, around May 6, there was a headline that said: Morse code trumps SMS in head-to-head speed texting combat
http://engadget.com/entry/1234000463042528/

While in the Jay Leno spot, the people sent the message "I saved a lot of money on my car insurance". In the battle between a 93 yr old telegraph operator and 13 year old cell phone wiz, the message they had to send was: "Hey, girlfriend, you can text all your best pals to tell them where you are going and what you are wearing."

95. YLRL 2005 Convention Page is up

Yahoo group: ylrl
Date: 2005-06-02 22:45:50 UTC
From: kc4iyd
Topic: 95 Message: 95

Hi everyone,

In addition to posting this on the ylrl yahoo group, this is also being sent to everyone on this list as a Special Notice.

The 2005 YLRL Convention page is finally up!!!! You can link directly to it here:
http://www.ylrl.org/convention/convention2005.html

Right now only the hotel info and registration info is up but forums, tours, activities, tshirt info, coupons for shuttle, convention activiites and much more will be added this week. However, I wanted to let you all know that the page is up. Please pass this info on.

If you notice any errors or mistakes let me know. If you have more content to add, especially those working on the convention, let me know.

Thanks
Nancy

96. YLRL Convention transportation to and from airport

Yahoo group: ylrl
Date: 2005-07-17 02:48:53 UTC
From: kc4iyd
Topic: 96 Message: 96

Hi all,

To those who are current members of this YLRL group, I want to give you all a heads up that I have sent out about 60 invitations to those folks planning to attend the YLRL convention to joing this group. I figure this would be a good way for us to discuss things associated with the convention.

I doubt all 60 will join but hopefully we will have some more activity in the coming weeks.

The first topic I would like to address is transportation from the airport to the hotel. So far, I have found out (from KI8IM) that there will be 20 YLs arriving on Aug 10 in Colorado, 17 arriving on Aug. 11, and 6 arriving on Aug. 12. I'm hoping that some of us will be able to coordinate and share taxi rides or maybe share rental cars in CO.

I will be arriving on Thursday Aug 11 at 7:40 (from DFW). Does
anyone want to share a ride to the hotel? AC5QQ

From: Ann Santos
Topic: 96 Message: 101

My flight will be arriving Thursday the 11th at 10:40AM. Diane, K2DO has decided to come to the convention and will be my room mate. She will also try to get a flight that arrives about the same time. If there is anyone else that may be arriving about the same time let me know and we can meet and split the cost of a ride from the airport. I also have a cell phone. If there is enough interest I would also be willing to split the cost and get a rental car.

Hi Phyllis-W2GLB...
Yes... since we're rooming together, it'd make check-in at the hotel much easier, so I'll wait for you.

I had sent email to the two Carols (KI8IM abnd KC4IYD) with my flight number because they offered to wait for me, but that won't be necessary, because they'd end up waiting too long for both of us. I'm sure there will be others coming in at about the same time as all of us. This board is a great place to exchange information and double up.

See you there!!

Hey Jan,

It's actually one Carol and a Nancy that's going. I think the other Carol you mentioned is my daughter, whom we call Little Carol to differentiate from Aunt Carol. She will not be coming to the convention this year. I think it will be too much for a 6 year old but if YLRL decdecides to host their next convention in 3 or 4 years, little Carol will be 9 or 10 and I will consider bringing her.

Hi Nancy...
You're right ... I was thinking of you but wrote your daughter's name.
Is that a sign of old age, or what? For those who don't know....
Nancy's little Carol is a charmer, and it won't be long before she has
her license and is showing up the rest of us. :-) Probably she'll be an
Extra by the time the next convention rolls around. :-)

See ya in Denver!!

Hi Gals,
I will be arriving on the 10th at 10 AM on United from Detroit. I was told they have a shuttle for $18 from the hotel that goes from the airport to the hotel and it will also take you from the hotel when you leave to the airport for another $18. It beats renting a car and the gas with gas prices what they are.If you have any other ideas for me, please let me know. I do not have a room mate as yet and have a double bed -room in case anyone would like to share. I do not smoke and have a non smoking room because of asthma problems I have with off hand smoke. Let me know if you would like to share a room if you are interested. Thanks.....Verline, KI8V

112. coupon for shuttle from airport ot Hotel DTC up on web

Yahoo group: ylrl
Date: 2005-08-06 23:26:51 UTC
From: kc4iyd
Topic: 112 Message: 112

Hi all,

I have added the link for the Super Shuttle Denver coupon up on the ylrl site. This coupon gives you a $30 round trip fare from airport to hotel.

Here is the link:
http://www.supershuttle.com/Coupons/DIA/YLRLcoupon.pdf

Cheryl says you don't have to have the coupon but alot of folks were askign about it so I have it up on the web. However, in case you forget it, be sure to mention that you are with the YLRL group and you will get the discount.

114. Friday 8/12 Colorado Rockies game

Yahoo group: ylrl
Date: 2005-08-07 21:48:39 UTC
From: kc4iyd
Topic: 114 Message: 114

Hi all,

I'm planning to go to the 3:05pm Colorado Rockies on Friday, Aug. 12. I was wondering if anyone would be interested in going with me?

I will put a note in the Hospitality Suite after I check in but figured others might be interested in going along with me.

Hi Nancy,

I'd love to go but I according to the Rockies schedule the game is against Washington and doesn't starts until 7:05pm and not 3:05pm. This conflicts with the dinner Friday night. You may have read the wrong date. Next Friday the 19th is a 3:05pm start.

118. Convention pictures on YLRL site

Yahoo group: ylrl
Date: 2005-08-11 05:00:23 UTC
From: kc4iyd
Topic: 118 Message: 118

Hey all,

For those of you who cannot come to the convention or will be coming in later, go to http://www.ylrl.org and check out the new link I added that includes pictures of those YLs and OMs who came in on Wedneday, Aug 10th to the convention.

Note: This is not on the http://www.qsl.net/ylrl site yet as its getting late and I don't have time to put those pictures up, but I will try to get them up later this week.

In the meantime, check out http://www.ylrl.org.

Hey all,

More convention pictures are up on the web at http://www.ylrl.org.

Check out the left foot keyer link, it was fun trying to send morse
code literally using one's left foot.

Thanks Nancy,
For posting the photos. I'm really enjoying it. Wish I could be
there, but seeing everyone enjoying the convention is second best. Keep it
up.
I do recognize some of the faces, but maybe after you get home, you
can add some names to the photos. I've probably talked on the radio with
a lot of the YL's or e-mailed with them and it would be nice to associate
the face with the names/callsigns.
Again thanks for taking your time out of the convention to post the
photos. I'm really enjoying it.

Hey Carolyn,

I just got home about 1 hour ago. I will be updating the pages over the next couple of days and adding names and titles to the pictures. I also plan to put together an article for
the Buckeye belle and the Jurassic.

BTW- one of the place I got to tour was the science museum, they had a great exhibit on dinosaurs and I believe the cenezoic (sp?) period. I will be putting up pictures about that up too.

Hey all,

After we left on Sunday morning, Carol KI8IM and I went to Colorado Springs to visit Carol's college friends. We returned to Ohio on Monday but that Thursday (Aug. 18) I was on a plane with my daughter, little Carol heading to Florida to visit my folks. I just got back yesterday, Aug. 23. This morning I just put up the Sat. YL-OM Banquet pictures on the http://www.ylrl.org site.

I too had fun at the convention. I hope the pictures shows those who couldn't come what fun we had. The next convention is tentatively set for 2009 in Austin, TX. That will be YLRL 70th Anniversary. I've already got it marked in my calendar and like Lois said, hope to see your there or at Dayton or chat with you on the air.

130. Captions up on YLRL page

Yahoo group: ylrl
Date: 2005-09-09 02:30:58 UTC
From: kc4iyd
Topic: 130 Message: 130

Hey gang,

I have started adding captions to the YLRL 2005 Convention pages. Please stop by and check them out. there are several YLs who I know but either can't remember your call or am confusing you with another person so I left it blank.

check out the site: http://www.ylrl.org and email me back with captions or you can post it here. One note, when you do please include the url for the exact page. Just cut and paste the address. For example, this is the url for the day 1 pictures:
http://www.ylrl.org/convention/Day1_Denver_CO.html
and then identify the picture by saying row 2 and column 4 or you can say 2 across and 4 down.

Enjoy!

Nancy

131. YL Anniversary Party (YL-AP) - Oct. 12-14

Yahoo group: ylrl
Date: 2005-10-12 02:09:33 UTC
From: kc4iyd
Topic: 131 Message: 131

Hey all,

Sorry for the short notice but the following contest takes place tomorrow:

YL Anniversary Party (YL-AP)

SSB: 1400 UTC October 14, 2005 to 0200 UTC October 16, 2005

ELIGIBILITY: All licensed women operators throughout the world are invited to participate. Only YLRL members are eligible for the cup awards. Non-members will receive certificates. Only YLRL members are eligible for the Corcoran and Hager awards.

PROCEDURE: Call "CQ-YL".

OPERATION: All bands may be used. No cross band operation. Net contacts and repeater contacts do not count. A station may be worked and counted once on each band. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be indicated in the log.

EXCHANGE: Station worked, QSO number, RS(T), and ARRL section/VE province/country.

SCORING: (1) CW and SSB are scored as separate contests. Submit separate logs for each contest. (2) All YLs within one of the U.S. ARRL sections or within a Canadian province shall
score one point for each

QSO with another station located within a section or province. Score two points for each contact with a station not located within an ARRL section or province, i.e., DX. (DX stations
are defined as those not located within an ARRL section or province.) (3) DX YLs shall score
two points for each contact with a station on another continent and one point for each contact with a station on their own continent. (4) Multiply the number of contact points by the total number of different sections, provinces and countries worked.

LOGS: All logs must show the operator's ARRL section/VE province/or country to qualify for awards. Logs must also state whether or not the operator is a member of YLRL. For each QSO, logs must show the station worked, time, band, and date. Logs must also state the power output used. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. Remember to file separate logs for each contest. Logs must show claimed score.

AWARDS:For the YLAP, cups will be awarded for both the NA-YL and the DX-YL with the highest CW scores and for the highest SSB scores. Only YLRL members are eligible to receive cups. If the winner of either contest is a non-YLRL member a first place certificate
will be awarded. If a YL does not wish to receive a cup a first place certificate may be awarded. Second and third certificates will be awarded for each contest. The highest CW

and the highest SSB score in each district, province and country will receive a certificate.
Certificates will be awarded only if there are at least 10 valid contacts on the log.

CORCORAN AWARD: a plaque given for the highest combined CW and SSB score for YLRL members within a state or province

HAGER AWARD: A plaque given for the highest combined CW and SSB score from North and Central America, including the Greater and Lesser Antilles, for YLRL DX members only.
A duplicate plaque given for the highest combined CW and SSB score from any other part of the world, for YLRL DX members only.

see http://www.ylrl.org if you have any questions.

134. YLRL Directory

Yahoo group: ylrl
Date: 2005-10-18 18:16:52 UTC
From: N0WBV
Topic: 134 Message: 134

Hi everyone.

Thanks to everyone who has been helping check to make sure
their information is accurate! The Database Manager has
resigned. We DO have a replacement. The Old DB Manager
had a delay in sending the information into the editor because of
Katrina. She has family who were affected and was down there
helping out. She got the information to the Editor last week.
Now the information is being processed. The editor tries to be
careful and is checking the listings against the Secretary's list of
information and the returned envelopes received from the Post
Office. This is a slow process to put the information in order.
The Directory issue (Sept/Oct) should still be mailed out during
the month of October so look for it soon.

Thanks for your patience.

Cheryl, N0WBV

Hi Cheryl,
Refresh my memory and tell me again what the DB Manager does? I like databases and things like that, but I'm not making any offers yet. <grin> We'd have to re-arrange some of my other duties ... read here -- find someone to take the CC Custodian duties that I resigned from nearly two years ago. <grin> And probably take the 8th District call area manager, but let's first find out what the DB Manager does before we think about that last one.

Cheryl...
Will be looking forward to receiving the Directory issue. Am going to Denver on Thursday for my Thyroid Cancer conference and hope you'll have some nice weather for us. :-) Will be missing a hurricane at home ... I hope. I hope it leaves my house alone this time. Still don't have antennas up from the summer storms, but maybe that's a blessing. Won't have to worry about losing them again.

From: Alex Kearns
To: wa6uvf@earthlink.net
Sent: 11/14/2005 1:23:30 AM
Subject: RE: Newcomers' news and Website for YL's. . .

Hello Jeanie

I am intending to do a feature on women in amateur radio in an upcoming issue of RadCom. Would you be interested in replying to the following questionnaire for use in the feature. If so, please email me a picture of you too. Please also pass the questionnaire on to any other YLs you know. The bigger the response the better.

Regards

Alex Kearns
Editor, RadCom

Women in amateur radio questions:

Please provide comprehensive answers.

How did you get into amateur radio? What attracted you to the hobby?

Do you think you get treated any differently as a female radio ham?

What could be done to attract more women into amateur radio?

What interests you most ☐ the technical aspects of amateur radio or the chatting on air?

What amateur radio activities interest you most?

Have you encountered sexism from radio hams? Please give details.

What was your first piece of amateur radio kit?

What radio kit do you now own?

What would be your dream piece of amateur radio kit?

Can you remember your first contact? Who was it? What did you talk about?

Have you ever met anyone famous on air? Who? What did you chat about?

Any other comments?

140. YL-OM Contest CW Feb4-6/SSB Feb 11-13

Yahoo group: ylrl
Date: 2006-01-31 00:22:50 UTC
From: kc4iyd
Topic: 140 Message: 140

Hi all,

The YL-OM contest takes place in Feb., unfortunately I did not get it to QST in time. However, there is a chance it might appear in the ARRL Letter. Details on all the YLRL contests are located at: http://www.ylrl.org/ylcontests.html

Here are the details for the YL-OM contest:

YL-OM Contest
CW: 1400 UTC February 4, 2006 to 0200 UTC February 6, 2006
SSB: 1400 UTC February 11, 2006 to 0200 UTC February 13, 2006
ELIGIBILITY: All licensed men and women operators throughout the world are invited to participate.

PROCEDURE: OMs call "CQ-YL" and YLs call "CQ-OM."

OPERATION: See General Rules. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be indicated in the log.

EXCHANGE: Station worked, QSO number, RS(T), ARRL section, VE province, or country. Entries in log must also show time, band, and date.

SCORING: (1) Phone and CW will be scored as separate contests. Submit separate logs for each contest. (2) Score each band separately. One point is earned for each different station worked on each band; YLs count only OMs and OMs count only YLs. Add together the QSO points earned for each band. (3) Multiply the number of QSOs by the total number of different ARRL sections, VE provinces, and countries worked. (4) Contestants running with a power output of 100 watts or less on CW and 200 watts PEP or less on SSB, AT ALL TIMES, may multiply the results of 3) above by 1.5 (the low power multiplier). The maximum power output that may be used at any time during the contest is 750 watts on CW and 1500 watts PEP on SSB.

LOGS: All logs must how your ARRL section, province, or country to qualify for awards. For each QSO, logs must show the station worked, QSO number given and received, RS(T) given and received, the ARRL section, VE province, or country of the station worked, time, band, and date. Logs must also state the power output used and the operating breaks taken. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. Remember to file separate logs for each contest. Logs must show claimed score. Logs go to the current VP, which is me, Nancy KC4IYD. My info is current in www.qrz.com

AWARDS: First place phone: YL-cup, OM-cup. First place CW: YL-cup, OM-cup. The second and third place YL and OM winners in each contest will receive certificates. The winner of the phone contest cup is also eligible to win the CW cup. Certificates will be awarded to the YL and OM phone and YL and OM CW winners of each U.S. and VE call district and country, provided there are at least ten valid contacts on the log.

Thanks
Nancy

141. YL-OM contest log submission online

Yahoo group: ylrl
Date: 2006-02-26 20:53:50 UTC
From: kc4iyd
Topic: 141 Message: 141

Hey all,

I have added a new page to the ylrl pages that now lists the callsign of those who have submitted logs for the YL-OM contest. There is a link from the main YLRL homepage:http://www.ylrl.org and here is the direct link to that page: http://www.ylrl.org/ylcontests_logs.html

I have a section for the CW logs and the SSB logs. The deadline for submitting logs for the YL-OM CW contest is March 6 and the deadline for the YL-OM SSB logs is March 13. Also, that date is when the logs have to be postmarked so if you worked the contests, please submit your logs. With this page, I can ensure that I have rec'd the logs for those who submitted them and it hopefully will encourage others to submit their logs.

I will not be posting the scores on the web until after it shows up in YL Harmonics so YLRL members will have the opportunity to find out how they did in YLH before those who are not members do.

Unfortunately I was on a business trip during both weekends of YL-OM so I couldn't work them. However, I hope to be around during the other contests.

thanks
Nancy

143. DXYL - NAYL contest - CW April 4-6; SSB April 11-13

Yahoo group: ylrl
Date: 2006-04-04 21:16:09 UTC
From: kc4iyd
Topic: 143 Message: 143

Hi all,

The DXYL to North American YL contest takes place this month. The CW portion is today, April 4 and runs until the 6th and the SSB portion is next weeks. Details on all the YLRL contests are located at: http://www.ylrl.org/ylcontests.html and I've included it below too.

DX YL to North American YL Contest
CW:1400 UTC April 4, 2006 to 0200 UTC April 6, 2006
SSB:1400 UTC April 11, 2006 to 0200 UTC April 13, 2006

ELIGIBILITY: All licensed women operators throughout the world are invited to participate.

PROCEDURE: DX YLs call "CQ North American YL". North American YLs call "CQ DX YL."

OPERATION: All bands may be used. Contacts with OMs do not count. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be shown in the log.

EXCHANGE: Station worked, QSO number, RS(T), ARRL section/VE province/country. Entries in log must also show time, band, date, and transmitter power.

SCORING:
(1) Phone and CW will be scored as separate contests. Submit separate logs for each contest.
(2) DX YLs, including Hawaii and Alaska, may contact all the North American continent, which includes the 48 contiguous states and the Canadian provinces.
(3) Contestants on the North American continent (including the 48 contiguous states and Canadian provinces) may contact DX YL stations, including Hawaii and Alaska.
(4) A station may be counted once on each band for credit and one point is earned for each station worked once on each band.
(5) Multiply the number of QSOs by the number of different ARRL sections/VE provinces/countries worked. A multiplier is counted only once in the contest.
(6) Contestants running 150 watts or less on CW and 300 watts PEP or less on SSB, at all times, may multiply the results of 5) above by 1.5 (the low power multiplier).

LOGS: All logs must show your ARRL section/VE province/country to qualify for awards. For each QSO, logs must show the station worked, QSO number given and received, RS(T) given and received, ARRL section/VE province/country of station worked, time, band, and date.

Logs must also state the power output used. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. File separate logs fore each contest. Logs go to the current VP, which is me, Nancy KC4IYD. My info is current in www.qrz.com

Hi Nancy,
Thanks. I was a little confused when I went to the site to
answer one poll and it was actually a different question. I am still
working on a couple of certificates for YLRL (YLCC and YL-DX) but
haven't been able to complete them. I'm only a few away from each,
but just haven't found enough YL's online to finish them. <grin>

I had several YLRL certificates, but they all were water damaged years ago ... they may still be in the garage collecting more mold and mildew. The environmental people told me to trash them, but I just couldn't. Not sure I can even tell what they were, but their sentimental value is priceless.

Hey all,

I just want to remind everyone that the YL Howdy Days Contest is taking place right now. Both the SSB and CW contest are from Sept. 12-14. Here are the details or check out the YLRL contest page: http://www.ylrl.org/ylcontests.html

(I have to take my daughter to piano now but I will be on tonight)

Howdy Days
CW & SSB: 1400 UTC September 12, 2006 to 0200 September 14, 2006

ELIGIBILITY: All licensed women operators throughout the world are invited to participate.

PROCEDURE: Call "CQ YL."

OPERATION: All bands and modes of emission may be used. A station may be worked and counted once on each band and mode for QSO points. The maximum power output that may be used at any time during the contest is 750 watts on CW and 1500 watts PEP on SSB. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be indicated in the log. RTTY will count as CW.

EXCHANGE: YLRL member or non-YLRL member? Entries in log must also show date, time, band, call or station worked. SCORING: Score two points for each YLRL member worked and one point for each non-YLRL member worked. There are no multipliers.

SUGGESTED FREQUENCIES: Try listening around 7.233, 14.288, 14.298, 21.388, 28.433 on voice, basically frequencies ending in 33 or 88. Similarly for CW.

LOGS: All logs must show if operator is a YLRL member or non-member to be eligible for awards.

AWARDS: Top scoring YLRL member will receive her choice of a YLRL pin, charm, or stationery. Top scoring non-YLRL member will receive a one-year YLRL membership.

158. YL Anniversary Party (YL-AP) this week

Yahoo group: ylrl
Date: 2006-10-11 03:03:45 UTC
From: kc4iyd
Topic: 158 Message: 158

Hey all,

The YL Anniversary Party (YL-AP) is taking place this week. I've been getting ready for a business trip so didn't get a chance to send this out sooner. The CW portion was last week but the SSB portion is taking place now. Info on http://www.ylrl.org/ylcontests.html#YLAP or read below.

YL Anniversary Party (YL-AP)

CW:1400 UTC October 3, 2006 to 0200 UTC October 5, 2006

SSB: 1400 UTC October 10, 2006 to 0200 UTC October 12, 2006

ELIGIBILITY: All licensed women operators throughout the world are invited to participate. Only YLRL members are eligible for the cup awards. Non-members will receive certificates. Only YLRL members are eligible for the Corcoran and Hager awards.

PROCEDURE: Call "CQ-YL".

OPERATION: All bands may be used. No cross band operation. Net contacts and repeater contacts do not count. A station may be worked and counted once on each band. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be indicated in the log.

EXCHANGE: Station worked, QSO number, RS(T), and ARRL section/VE province/country.

SCORING:
(1) CW and SSB are scored as separate contests. Submit separate logs for each contest.
(2) All YLs within one of the U.S. ARRL sections or within a Canadian province shall score one point for each QSO with another station located within a section or province. Score two points for each contact with a station not located within an ARRL section or province, i.e., DX. (DX stations are defined as those not located within an ARRL section or province.)
(3) DX YLs shall score two points for each contact with a station on another continent and one point for each contact with a station on their own continent.
(4) Multiply the number of contact points by the total number of different sections, provinces and countries worked.

LOGS: All logs must show the operator's ARRL section/VE province/or country to qualify for awards. Logs must also state whether or not the

operator is a member of YLRL. For each QSO, logs must show the station worked, time, band, and date. Logs must also state the power output used. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. Remember to file separate logs for each contest. Logs must show claimed score.

AWARDS:For the YLAP, cups will be awarded for both the NA-YL and the DX-YL with the highest CW scores and for the highest SSB scores. Only YLRL members are eligible to receive cups. If the winner of either contest is a non-YLRL member a first place certificate will be awarded. If a YL does not wish to receive a cup a first place certificate may be awarded. Second and third certificates will be awarded for each contest. The highest CW and the highest SSB score in each district, province and country will receive a certificate. Certificates will be awarded only if there are at least 10 valid contacts on the log.

CORCORAN AWARD: a plaque given for the highest combined CW and SSB score for YLRL members within a state or province

HAGER AWARD: A plaque given for the highest combined CW and SSB score from North and Central America, including the Greater and Lesser Antilles, for YLRL DX members only. A duplicate plaque given for the highest combined CW and SSB score from any other part of the world, for YLRL DX members only.

Topic: 158 Message: 159

I missed the contest. Was out sick from work week before and had to go to work when I had planned to be off for the contest. Then as I was going to finish up the last night, we had tornado warnings and had to work skywarn so the contest did not get on cq from me. Oh well, got the YL-OM in Feb and I'll take off for it if all goes well. Got to finish Emcomm III to keep my mentor credentials and do some work on YLRL stuff. Grand daughter coming to spend the night and its my mothers birthday, she's 84. Need some energy and more time. Hope some of you send in your logs for YLAP. 33, de wx4mm

160. YL IRLP/Echolink net

Yahoo group: ylrl
Date: 2006-11-08 02:02:56 UTC
From: kc4iyd
Topic: 160 Message: 160

Hey all,

I received the following email last week and didn't get a chance to send it out so we missed the first YL IRLP/Echolink net but it also occurs the 3rd Saturday. I will try to get on
the 3rd Saturday.

Hi all,

The next YL IRLP/EchoLink net is happening this Saturday at 2100 UTC so we hope to see/hear you there.

Net information:

It is on the first and third Saturdays of each month at 2100 UTC, which for those of us in New Zealand and Australia corresponds to the Sunday morning following the first and third Saturdays.

We now use IRLP reflector 9008 and Echolink conference *VAN-IRLP* 256919.
These two systems are linked together digitally, so anyone appearing on one system will be linked into the other automatically. Our thanks goes to the owner Dave VE7LTD and to John KC8FRW for liaising.

Ann ZL3TNT is the net control station and I will be sitting next to her doing the paperwork.

Other YL Nets that we are aware of are: (replace "_at_" with "@")

- The UKLOTA net. They are at the moment looking at changing the date and time of this. See the *UKLOTA* EchoLink conference and their website:
www.ladiesontheair.proboards37.com
Trustee lindka_at_btinternet.com

- The VE3TTT one on the VE3TTT-R EchoLink node at 2130 UTC alternating Wednesdays.

YL email mailing lists and reflectors:

- The email list that supports the use of this IRLP/EchoLink net. Send a blank email to yl_net-subscribe_at_yahoogroups.com to subscribe.

- The yl e-mail group has a mail-reflector administered by Angela PE1BIV. To be added to the group, please send Angela an email at yl-hams_at_scholder.nl

73, David ZL3AI.

161. YL IRLP/EchoLink net reminder Feb. 3, 2007

Yahoo group: ylrl
Date: 2007-02-02 15:37:22 UTC
From: kc4iyd
Topic: 161 Message: 161

Sorry for the short noticed but this net meets on first and third Saturdays of each month at
2100 UTC so if you miss it this week, mark your calendars for the third Saturday.

==========

Hi all,

The next YL IRLP/EchoLink net is happening this Saturday at 2100 UTC so we hope to see/hear you there.

On the last net on 20/21 Jan 2007 we had:
- AB7PS Sara on IRLP node 3062
- G0FIP Ella on EchoLink
- VK5JSH Shirley on EchoLink
- WB4BSP Rusty on EchoLink (no mic)
- ZL3TNT Ann on EchoLink
- ZS6JEB Jane initially on IRLP node 8467, then later on EchoLink

Net information:

It is on the first and third Saturdays of each month at 2100 UTC, which
for those of us in New Zealand and Australia corresponds to the Sunday
morning following the first and third Saturdays.

We use IRLP reflector 9008 and Echolink conference *VAN-IRLP* 256919.
These two systems are linked together digitally, so anyone
appearing on one system will be linked into the other automatically.
Our thanks goes to the owner Dave VE7LTD and to John KC8FRW for
liaising.

Ann ZL3TNT is the net control station and I will be sitting next to
her doing the paperwork.

Other YL Nets that we are aware of are: (replace "_at_" with "@")

162. YL-OM Contest CW:Feb 3-5 and SSB: Feb 10-12

Yahoo group: ylrl
Date: 2007-02-02 15:40:27 UTC
From: kc4iyd
Topic: 162 Message: 162

Hey all,

The YLRL most popular contest is this month. I am encouraing all YLs to work at least one of our contest this year. If you do that, that will increase participating tremoudously in all
the contests.

==========

YL-OM Contest

CW: 1400 UTC February 3, 2007 to 0200 UTC February 5, 2007
SSB: 1400 UTC February 10, 2007 to 0200 UTC February 12, 2007

ELIGIBILITY: All licensed men and women operators throughout the world are invited to participate.

PROCEDURE: OMs call "CQ-YL" and YLs call "CQ-OM."

OPERATION: See General Rules. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be indicated in the log.

EXCHANGE: Station worked, QSO number, RS(T), ARRL section, VE province, or country. Entries in log must also show time, band, and date.

SCORING: (1) Phone and CW will be scored as separate contests. Submit separate logs for each contest. (2) Score each band separately. One point is earned for each different station
worked on each band; YLs count only OMs and OMs count only YLs. Add together the QSO points earned for each band. (3) Multiply the number of QSOs by the total number of different ARRL sections, VE provinces, and countries worked. (4) Contestants running with a power output of 100 watts or less on CW and 200 watts PEP or less on SSB, AT ALL TIMES, may multiply the results of 3) above by 1.5 (the low power multiplier). The maximum power output that may be used at any time during the contest is 750 watts on CW and 1500 watts PEP on SSB.

LOGS: All logs must how your ARRL section, province, or country to qualify for awards. For each QSO, logs must show the station worked, QSO number given and received, RS(T) given and received, the ARRL section, VE province, or country of the station worked, time, band, and date. Logs must also state the power output used and the operating breaks taken. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. Remember to file separate logs for each contest. Logs must show claimed score.

AWARDS: First place phone: YL-cup, OM-cup. First place CW: YL-cup, OM-cup. The second and third place YL and OM winners in each contest will receive certificates. The winner of the phone contest cup is also eligible to win the CW cup. Certificates will be awarded to the YL and OM phone and YL and OM CW winners of each U.S. and VE call

district and country, provided there are at least ten valid contacts on the log.

163. YL-OM Contest CW:Feb 3-5 and SSB: Feb 10-12

Yahoo group: ylrl
Date: 2007-02-03 00:31:09 UTC
From: MARY MOORE
Topic: 162 Message: 163

I will not be able to work the contest this year so you all go out there and take up the slack for me. Lots of the OM's will be looking for YL's and believe me, they QSL. I usually manage 25 to 30% QSL after a contest. Sometimes 50%. Mainly because the YL's are not easy to find. Now is your chance, WAS in one day... it's possible in this one. 33, de WX4MM

Hey Amy,

I did get your email but for others, YLRL contests go to the current YLRL Vice president. Currently that's me so you can mail them to me or check the YLRL website for the current president.

One new item, I am currently doing a beta test and will accept YL-OM contest via email. You can send to me either in excel format or text format, provided they match the order of the YLRL Contest Log. There is also some wording you need to include before I will accept the log. Please email me before you submit it.

166. YL Howdy Days Contest CW and SSB Sept 11-13, 2007

Yahoo group: ylrl
Date: 2007-09-09 22:06:30 UTC
From: kc4iyd
Topic: 166 Message: 166

Howdy Days

CW & SSB: 1400 UTC September 11, 2007 to 0200 September 13, 2007

ELIGIBILITY: All licensed women operators throughout the world are invited to participate.

PROCEDURE: Call "CQ YL."

OPERATION: All bands and modes of emission may be used. A station may be worked and counted once on each band and mode for QSO points. The maximum power output that may be used at any time during the contest is 750 watts on CW and 1500 watts PEP on SSB. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be indicated in the log. RTTY will count as CW.

EXCHANGE: YLRL member or non-YLRL member? Entries in log must also show date, time, band, call or station worked.

SCORING: Score two points for each YLRL member worked and one point for each non-YLRL member worked. There are no multipliers.

SUGGESTED FREQUENCIES: Try listening around 7.233, 14.288, 14.298, 21.388, 28.433 on voice, basically frequencies ending in 33 or 88.

Similarly for CW.

LOGS: All logs must show if operator is a YLRL member or non-member to be eligible for awards.

AWARDS: Top scoring YLRL member will receive her choice of a YLRL pin, charm, or stationery. Top scoring non-YLRL member will receive a one-year YLRL membership.

167. First YL DXpedition to Clipperton Atoll

Yahoo group: ylrl
Date: 2008-02-18 22:11:56 UTC
From: Ann
Topic: 167 Message: 167

Hi all,

I will be flying to San Diego next Wednesday 27 February. It will be 6 days by boat to Clipperton Atoll. We should be on the air around 7 March as TX5C. There has never been a YL on Clipperton. There will be regular updates on our website at www.clipperton2008.org. Hope to work you in the pileups.

33,
Ann WA1S / TX5C

168. YLRL 2008 Convention in Huntsville, AL on Aug 14-17, 2008

Yahoo group: ylrl
Date: 2008-04-02 01:25:14 UTC
From: kc4iyd
Topic: 168 Message: 168

Hey all,

The Hunstville Area Young Ladies Amateur Radio Club will be sponsoring the 2008 YLRL Convention in Hunstville, AL on Aug 14-17, 2008. The 2008 YLRL Convention will be held in conjunction with the Huntsville Hamfest and Southeastern ARRL Convention at Von Braun Center (across from hotel). The hamfest will take place on Aug 16 and Aug 17. Your registration fee includes the cost of the hamfest ticket. There will be forums, license exams, new Dealer show, flea market, prizes--all inside.

The Convention will take place at the Holiday Inn Downtown Huntsville located at:

Holiday Inn Downtown
4401 Williams Ave., SW, Huntsville, AL 35801-5045
(256) 533-1400

http://www.holiday-inn.com/huntsvilleal
Rate: $78/double + tax & fee. Please use code: SYL to register.

For registration forms, listing of convention events, hamfest events and much more go to the YLRL Convention webpage at:
http://www.ylrl.org/convention/convention2008.html

170. DX-YL to NA-YL Contest April 4-8 CW; April 11-13 SSB

Yahoo group: ylrl
Date: 2008-04-03 01:44:34 UTC
From: kc4iyd
Topic: 170 Message: 170

Hi ladies,

This email is to let you know about the DX-YL to NA-YL Contest that is taking place this month with the CW portion taking place this weekend. Since the contest moved to a weekend, there has been a bit of confusion. ARRL and NCJ have the wrong dates listed, but I believe they do say to check the YLRL website for more information.

The YLRL Directory and Website have the correct dates for the DX-YL to NA-YL contest. Still, we want to get the word out. Here are the actual dates per the YLRL website: http://www.ylrl.org/ylcontests.html

DX YL to North American YL Contest
CW:1400 UTC April 4, 2008 to 0200 UTC April 6, 2008
SSB:1400 UTC April 11, 2008 to 0200 UTC April 13, 2008
ELIGIBILITY: All licensed women operators throughout the world are invited to participate.

PROCEDURE: DX YLs call "CQ North American YL". North American YLs call "CQ DX YL."

OPERATION: All bands may be used. Contacts with OMs do not count. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks must be shown in the log.

EXCHANGE: Station worked, QSO number, RS(T), ARRL section/VE province/country. Entries in log must also show time, band, date, and transmitter power.

SCORING: (1) Phone and CW will be scored as separate contests. Submit separate logs for each contest. (2) DX YLs, including Hawaii and Alaska, may contact all the North American continent, which includes the 48 contiguous states and the Canadian provinces. (3) Contestants on the North American continent (including the 48 contiguous states and Canadian provinces) may contact DX YL stations, including Hawaii and Alaska. (4) A station may be counted once on each band for credit and one point is earned for each station worked once on each band. (5) Multiply the number of QSOs by the number of different ARRL sections/VE provinces/countries worked. A multiplier is counted only once in the contest. (6) Contestants running 150 watts or less on CW and 300 watts PEP or less on SSB, at all times, may multiply the results of 5) above by 1.5 (the low power multiplier).

LOGS: All logs must show your ARRL section/VE province/country to qualify for awards. For each QSO, logs must show the station worked, QSO number given and received, RS(T) given and received, ARRL section/VE province/country of station worked, time, band, and date.

Logs must also state the power output used. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. Photocopies are OK, but not carbon copies will be accepted. File separate logs fore each contest. Logs go to the current VP:
Annette Wood KC8SQM
6167 Oakwood Circle
North Ridgeville OH 44039

171. YL Events

Yahoo group: ylrl
Date: 2008-05-09 17:33:00 UTC
From: N0WBV
Topic: 171 Message: 171

Well Ladies,

I don't know about you, but I had an awful time contacting DX-YLs in the contest! The good news is that I did work a few YLRL members and potential members. Since that wasn't the best, I am on to the next YL event-Dayton!

Dayton Hamvention® is just around the corner followed later this summer by the YLRL Convention in Huntsville, AL. Don't forget to mark you calendars!

Also, send me news on what you are doing for the YL column in WorldRadio. I always need more YL information and want to make it from all over.

Thanks for the help and hope to see you at the YLRL/Buckeye Belle booth next week.

Hi girls this is becky h. I am n2zoe. I have been a ham for 14 years. I love talking on it. I use a hand held. I have a genrel class. I have hobbies as well. Ham radio is one of them. I have more. I love listening to my music, talking on the phone, playing with my puppy when I see him, running my yahoo group, and more. If you want to join it is blind-people2. just send an email to blind-people2-subscribe@yahoogroups.com and join it. I just got my own appartment and I am not able to have my radios in it. I have to get more emails now. 73s n2zoe

173. YLRL New Award Certificate for 2009

Yahoo group: ylrl
Date: 2009-01-11 15:16:40 UTC
From: kc4iyd
Topic: 173 Message: 173

Hi all,

Below is a new YLRL award for 2009 submitted by Carolyn Donner, the YLRL certificate custodian. The initial rules went out to the YLRL officers and Carolyn has tried to incorporate their comments. Its almost final and I'm waiting for the final version to put it up on the YLRL website but figured those of you on this group would love to read about it. The version on the website will have the contact log form that you can complete and submit.

To help promote YLRL and the YLRL Award Certificates, and of course to get more YL's on the air chatting (instead of just exchanging signal reports), we are going to have an annual Award Certificate. This annual Award will change each year, so watch for it at the beginning of every year. The award will be for contacts made only during the year it is advertised. The 2009 award will be the YL FRIENDSHIP AWARD. Since the annual award certificate will have to be completed in one year, the rules are a little simpler. Here is the 2009 Award rules

2009 YL FRIENDSHIP AWARD RULES:

1. Contacts must be made in the calendar year of 2009 between January 1, and December 31).

2. All contacts must be made with YL's only on any band (HF, VHF, UHF and including the use of repeaters Echolink, and IRLP, but not during Nets) and any mode (SSB, PSK31, RTTY, CW, etc.). [Note, you can use a net to ask a YL to stay around after the net for a contact, or to move to a different frequency to make the contact, but we don't want to disrupt nets to chat long enough to get contacts for this award as the Net Control may not like the disruption of regular net activities.]

3. The award is only available to YL's. You do not have to be a YLRL member to receive this award.

4. Send in only a log of contacts on the form, or a similar sheet of paper computer produced or hand drawn.

5. The Log must list the CALLSIGN of the YL worked, NAME of YL (first name is fine), DATE, TIME, FREQUENCY/BAND, and some other "tidbit" of information about the YL. "Tidbits" can include anything particular to the YL, such as husband's name, pet's name and type, a hobby the YL enjoys, how many children/grandchildren the YL has, where the YL

works, anything, etc. 6. Needed are contacts with 26 YL's with callsigns that have one of the 26 letters of the English alphabet in the callsign. You will need a different YL for each letter of the English alphabet. For example ... N8ST can be used for the letter "N", "S", or "T", but only for one letter (not all). List your log alphabetically by the alphabet letters used.

7. Your log must include at the top of the entry ☐ 2009 YL FRIENDSHIP AWARD APPLICATION, Your NAME, CALLSIGN, ADDRESS, and IF YOU ARE A YLRL MEMBER.

8. Send log (not QSL cards) to the Certificate Custodian. Logs can be submitted at any time during the year and as late as January 31, 2010.

8A. Logs may be submitted via e-mail. E-mailed submissions will receive a certificate in .pdf format by return e-mail.

8B. Mailed logs should include 4 first class postage stamps for USA entries. DX entries do not have to send stamps. Please do not send IRC's as my post office will not accept them (it's a small country village and they just do not know what to do with them <grin>).

Hello Donna. Nice to hear from you...and would like to tell you about Tangle Net..it is a YL net that has been going on since before 1960. We meet on Thursday at 1800 on 14,297...I am one of the net controls..K0epe, Marte in Kansas. Other net controls are W2glb/7 In Washington state and Connie. N8IO in Ohio. Please try to join us...Tangle Net is a friendship net...we have gone through many things together and have met YLs at the YLRL conventions. I am also Chairwoman of the YLRL scholarship fund. YLRL sponsors two scholarships of $1500 each. Memorial scholarships for K4LMB, Ethel Smith the founder of YLRL in 1939 and Marylou Brown, NM7N who was President of YLRL that did much for the betterment of YLRL. We will be having a scholarship drive along with the 2011 YLRL convention to be held near or in the Boston area. Tickets will be mailed to YLRL members in late 2010. Hope you are a good salesperson. HI 33 Marte, K0epe

Hi Marte its nice to meet you also.
The convention sounds like fun. I have my radio tuned for 1800 tonight and I hope I can hear you. I have a challenger DX vertical antenna next year I hope to put up a tower with a beam and router so I can really tune in the stations I want. I have a good tunnel from CT to the west coast and the other way to Italy. Tonight is my one year anniversary of passing my test.

Hi Monica I am in Waterford CT. The repeater used most around here is in Salem 147.060 pl 156.7. My husband has surgery this morning so when we get home it will be a good time to put a bunch of NH frequencies in my radio, I will let you know what I can hear.

188. Emergency message going to Haiti

Yahoo group: ylrl
Date: 2010-01-13 10:39:23 UTC
From: CynthiaR
Topic: 188 Message: 188

Ladies:

My husband's older sister and her spouse are in Cap Haitian, Haiti, which, as many people know, Haiti was hit with the worst earthquake in over 200 years. They live there as missionaries, and have medical training and experience, so it is certain, that, IF they are alive and relatively unharmed, their services would no doubt be direly needed, especially since the brother-in-law is a retired fire department chief and the sister is an experienced and retired EMT. My husband is extremely concerned for their lives and safety, obviously, so, if anyone can pass a piece of Priority traffic, I have a drafted, ready to pass, piece of traffic destined for there. If any members sponsor any ham(s) from that area, perhaps they can get a message through.

I did TRY to pass this traffic via a National Traffic System net and was simply told to try to pass this on the Internet by a ham who brags of HIS capabilities to pass traffic anywhere in the world, and though at least several other hams who check(ed) into the net have similar or identical credentials, not ONE of them bothered to take my traffic. If anyone can help in this urgent, life-or-death matter, please either call me direct (814) 587-0030, or email me at my email address immediately. Electricity is out in widespread areas, communications are disrupted, so doubtless there will be a HUGE need for ham operators down there.

Will await a reply.

33,

Cynthia L. Rushton, WB3CNJ, Budget and Finance Committee Member

Cynthia,

Just wondering if you ever heard word from your sister-in-law and herspouse? My parent's still have family in Haiti and it took them over 3 days before they got word that most of them was ok and it took close to 1 week before they heard about a missing relative that was found.

190. YL-OM contest February 12-14, 2010

Yahoo group: ylrl
Date: 2010-02-07 19:49:00 UTC
From: kc4iyd
Topic: 190 Message: 190

Hey all,

Just wanted to remind you about the YL-OM contest on Feb 12-14. For more info go to: www.ylrl.org/ylcontests.html#YLOM

Here are the details of the contest:

YL-OM Contest
SSB/CW/Digital:
1400 UTC February 12, 2010 to 0200 UTC February 14 2010

ELIGIBILITY: All licensed men and women operators throughout the world are invited to participate.

PROCEDURE: OMs call "CQ-YL" and YLs call "CQ-OM."

OPERATION: All bands may be used except WARC bands. Net contacts and repeater contacts do not count. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks should be indicated in the log

EXCHANGE: Station worked, QSO number, RS(T), ARRL section, VE province, or country. Entries in log should also show time, band, and date.

SCORING:
(1) Phone and CW will be scored as separate contests. Digital contacts (RTTY, PSK31, etc) count as CW. Score each band separately.
(2) One point is earned for each different station worked on each band; YLs count only OMs and OMs count only YLs. Add together the QSO points earned for each band.
(3) Multiply the number of QSOs by the total number of different ARRL sections/VE provinces/ countries worked. A multiplier is counted only once in each mode (ie SSB, CW).
(4) Contestants running 5W or less will be considered QRP and earn a power factor of 3. Contestants running 5W to 100W will be considered low power and earn a power factor of 1.5. Contestants running over 100W will be high power. If no transmitter power is listed on logs, no power factor will be given.

LOGS: All logs must how your ARRL section, province, or country to qualify for awards. For each QSO, logs must show the station worked, QSO number given and received, RS(T) given and received, the ARRL section, VE province, or country of the station worked, time, band, and date. Logs must also state the power output used and the operating breaks taken. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. Remember to file separate logs for each contest. Logs must show claimed score. All logs go to the current YLRL Vice President and must be submitted within 30 days of contest ends.

The current YLRL VP is:
Cheryl Muhr, N0WBV
PO Box 342
Littleton, CO 80160

AWARDS: Highest scoring YL, OM, YL group/club in SSB and CW will each receive a first place cup provided there are at least 10 valid contacts. The second and third place winners in each contest will receive certificates. The winner of the SSB contest cup is also eligible to win the CW cup. Certificates will be awarded to the highest scoring YL, OM, YL club/group of each U.S./province/country, provided there are at least ten valid contacts on the log.

Good Luck
Nancy

192. CLARA Contest 2010 - March 9 and 13, 2010

Yahoo group: ylrl
Date: 2010-02-17 02:46:37 UTC
From: kc4iyd
Topic: 192 Message: 192

CLARA Contest 2010

The response to the last couple of year's two-day format demands that we continue to hold the contest on two different days, Tuesday and Saturday. Get ready for 2010!
This year we continue with computer contacts with regular scoring using either Echolink or CQ100. Please keep these scores separated.

Contest days are: Tuesday, March 9th and Saturday March 13th for 24hours each day.
Time: from 17:00 Zulu to 17:00 Zulu the following day for each day.
Remember: Daylight savings time begins on March 14th 2010 .

17:00 Zulu in Canada is

1:30 pm	Newfoundland	
1:00 pm	Atlantic Standard Time	NB , NS, PEI
12:00 pm	Eastern Standard Time	ON QC
12:00 pm	Central Standard Time	MB
10:00 am	Central Standard Time	SK
10:00 am	Mountain Standard Time	AB BC
9:00 am	Pacific Standard Time	BC

RULES
1. Log only 24 hours during the two days. Your log must show time on and off the air.

2. Suggested Frequencies:
a) CW 14.033, 21. 033, 7.033, 3.688
b) Phone 28.300, 21.255, 14.120, 14.285, 7.033-7.200, 3.750, 3.900

Work CLARA and YL stations once per band/mode.

3. Cross mode contacts count as phone for both stations.

4. Categories: Single operator only for logged scores. However, have those family members beside you for family points! (No time limits per contact).

5. Exchange:
Signal Report, Date, Time, Mode, Name, Call Sign, QTH (location) and note QSO points

6. QSO points are:

CLARA YL Member	5 points
CLARA family Member	2 points
Non Member YL	3 points
OM	1 point

Add up score.

7. Multipliers Multiplier are VE/VA provinces/territories with anyone, OM or YL, and DXCC entries (only if QSO is with YL). (possibility of 13 Canadian multipliers plus your DX multipliers)

8. Total Score is QSO points (times) x total number of multipliers.

9. Note Low Power OR High Power. Low power is 200 watts or less!

Rules: Computer Contacts: same as HF on Echolink or CQ100 (try frequency 14.120) CQ100, like Echolink, is only obtained with proof of license. (www.qsonet.com for three months free trial). Only operations that require proof of amateur radio status accepted.

10. Mystery contacts: one is East, one is West Score 15 points for each.

Logs are due April 15th 2010.

193. Need Special Equipment NOW

Yahoo group: ylrl
Date: 2010-03-06 14:12:34 UTC
From: CynthiaR
Topic: 193 Message: 193

Ladies:

Am writing to ask if anyone has, or can obtain, some special equipment for getting a mistuned repeater up to snuff to put it on the air. The equipment needed is either a signal generator, or, a service monitor, to get a 210 kHz deficit in frequency on transmit frequency repeater up to the crystal frequency that is already installed. The receive frequency is OK; the transmit frequency in the repeater (Kendecomm Mark 4CR) is 210 kHz lower than the crystal that was manufactured and tested for our coordinated frequency. In order to get the internal repeater frequency tuned to the crystal frequency, we need the signal generator, or, a service monitor to do the job. We have experienced, educated technicians with limited equipment to do the job, the manual with schematics for the repeater, all the equipment, including the repeater, duplexers, antenna, feedline, and connectors all hooked up and ready; what we DON'T have is help from other individuals and/or clubs in our area (3 states and 5 counties) to get the equipment, let alone the HELP, that is needed. Because we are a young (only 4 years old), forward thinking (the others are politicized, polarized, status quo individuals who like to control offices, people, clubs, and organizations who want us GONE, because THEY think WE are a THREAT to THEM) club of people who believe in giving people equal responsibility, opportunity, and CREDIT for doing things equally, nondiscriminatorilly, and promptly, we can only count on ourselves, and our limited resources, to get our things done. It is known that what was said here sounds a bit defensive; however, it is the plain, unvarnished TRUTH, and we are ASKING for help. Anyone capable of helping us would have sincere, considerable gratitude from the club, its members, and other supportive people who are not in a position to help us the way being asked. If shipping costs need to be paid, we may be able to pay those costs if within our budget, and we are planning to obtain insurance for the club, members, and equipment. Please swiftly reply in regard to this situation.

Vy 33 and 73,

Cynthia L. Rushton, WB3CNJ

194. Fw: [HamRadioHelpGroup] MISSING HAM

Yahoo group: ylrl
Date: 2010-03-12 21:53:57 UTC
From: Cynthia Rushton
Topic: 194 Message: 194

Ladies and Gentlemen:
I know the chances are SLIM to NONE (probably NONE) that you might know anyone in CA into search and rescue, but, am passing this along to all of you in HOPES that one, or more, of you might be able to help with this, or, know someone who can. Consider this my appeal for help on behalf of someone I don't know, but, knowing if the shoe were on the other foot, I sure would be grateful if someone did this for ME.

73,

Cynthia L. Rushton, WB3CNJ

Topic: 196 Message: 198

Dear Anne,

No, I didn't set up that Facebook page. I found it when I searched for "YLRL" within Facebook and assumed YLRL had set it up.

That page states: "Our goal is to make this Community Page the best collection of shared knowledge on this topic. If you have a passion for YLRL, sign up <http://www.facebook.com/ajax/hubs/sign_up.php?page_id=112149192145548> and we'll let you know when we're ready for your help. You can also get us started by suggesting the Official Facebook Page <http://www.facebook.com/ajax/hubs/wiki_suggest.php?page_id=112149192145\548> ."

Later, I found several Facebook pages for other organizations with identical statements and their descriptions copied out of Wikipedia. Facebook appears to be aggressively fishing for more users and activity. If we object to this use of the YLRL name and logo perhaps we should ask them to take the page down.

Carol, KP4MD/W6

200. Female VEs and Liasions

Yahoo group: ylrl
Date: 2011-01-10 16:38:03 UTC
From: wb3cnj1
Topic: 200 Message: 200

Dear Ladies:

I have been curious for some years as to just how many female VEs there are in the US and trying to find out that information from ARRL is very difficult indeed. If that information can be determined, and, preferably, broken down by state, it would be sincerely appreciated. I did try to determine that via the ARRL website, but it is extremely time consuming, and some VEs don't list their first names, or, the name used can be used for either gender, hence the difficulty. Hope you ladies can help with that inquiry.

33,

Cynthia L. Rushton, WB3CNJ

201. YLRL 2011 Convention, July 21-24 in Quincy, MA

Yahoo group: ylrl
Date: 2011-01-18 00:33:04 UTC
From: kc4iyd
Topic: 201 Message: 201

Hi all,

The YLRL 2011 Convention will take place July 21-24, 2011 in Quincy, MA. I have uploaded 2 files to this yahoo list. Just click on "files" on the left hand side of the group to download the Registration Form and another form with info on the Convention. I've included some details below too:

HOTEL RESERVATIONS must be made by contacting the Convention hotel.
Best Western Adams Inn, 29 Hancock Street, Quincy MA 02171
www.bwadamsinn.com
For reservations call 1-800-368-4012 or 617-328-3067.
You must ask for Group Code CGRALE when making your reservation.
The special rate of $129/double or $119/single will be available before and after the Convention as well, if you wish to extend your stay.

Tentative Schedule:

Thursday: Meet and Greet evening at hotel

Friday: All day tour of Boston including Freedom Trail. Dinner TBA

Saturday: YLRL General Meeting; OM Tour; YL Luncheon; Tour of Adams Historical Sites in Quincy; YL ☐ OM Banquet

Sunday: Tour to Cape Cod including Marconi Site at Cape Cod National Seashore.

Monday: Optional Tour to ARRL Headquarters in Newington CT (minimum # required)

Hope to see you there!
Nancy

The 2 files have the correct information for hotel reservations. You must use 617-328-1500 to reach the hotel for reservations. The 800 # is not hotel specific and the group code cannot be entered on the web page. Sorry for the confusion!

Hey Anne,

Thanks for catching the error below. I knew I had the right files as you stated they have the right number but I must've had the old one opened when I cut and paste.

I plan to be there in July. My only uncertainty is whether to drive or fly. I would prefer to drive but would like to stop somewhere along the way, maybe sightsee and spend the night instead of driving straight through.

Friend on this list, what would you all recommend as a good stopping place between Cleveland, OH and Quincy, MA?

Nancy

204. New YLRL 2011 Certificate Unveiled!

Yahoo group: ylrl
Date: 2011-01-28 16:01:13 UTC
From: Carolyn
Topic: 204 Message: 204

Hi everyone,
I finally finished up the new YLRL certificate for 2011. I hope lots of you will work on this one and have fun doing it. Here are the rules ...

2011 YLRL FAVORITE COLORS CERTIFICATE RULES

* *

The 2011 YLRL certificate will be called the *_2011 YLRL FAVORITE COLORS CERTIFICATE_*! This one should be a lot of fun! In 2011, let's find out what everyone's favorite color is. Here are the rules for this new award ...

1. Talk to YL's and exchange favorite colors. If you don't have a favorite color, just choose a color to give out.

2. You will need to collect 15 colors. All 15 colors must be different.
3. You will need one YL for each color. You can only use a color once. You can only use a YL once.
4. All contacts must be made during the 2010 year (January 1 - December 31, 2010).
5. Contacts may be made on any band the YL is licensed to be on, and any mode including SSB, all digital modes, EchoLink, and repeaters.

6. Favorite colors must be exchanged over the air. You can not e-mail someone after the contact and ask them for their favorite color.
7. Contacts may be made during nets _only if the net control allows it_.
8. Report the following for each contact:
Date, time, band, first name, QTH, FAVORITE COLOR.
9. Send your list, in color alphabetical order, to the Certificates Manager at any time during the year, but no later than the end of January 2012 to receive your certificate.
10. This certificate is available ONLY to YL's.
11. Applications may be submitted by e-mail (to: n8st@...) or snail mail (to: Carolyn Donner, PO Box 158, Hamersville, OH 45130).

A few hints on the colors ...

1. Be specific in your choice of your favorite color.

2. "light blue", "blue", "dark blue", and "Navy" are all different colors, so if you already have "blue" for a color and someone else gives you "blue", go ahead and ask them to be more specific. If they then give you the same color with "light" or "dark" or something else in front of it ... that's all right. BUT, you can't ask them for a specific color. They must give you the color.

3. Blues, greens, and some other basic colors have a lot of variations, so be creative everyone.

4. If you don't have a favorite color, go to a website for something that is available in lots of colors and look at all the names of the colors that are listed for things like paints, or t-shirts, etc. Then choose one that is unusual.

205. YLRL Convention 2011 Yahoo Group

206. Mentoring and/or Elmiraing

Yahoo group: ylrl
Date: 2011-04-26 00:53:26 UTC
From: CynthiaR
Topic: 206 Message: 206

Ladies:

I have 2 questions for all of you.

First off, for young ladies (under age 18 and/or new to the hobby), do we have a mentoring and/or Elmiraing thing going? I am personally acquainted with a nearby Girl Scout troop of girls and leaders, and I intend to mention at a meeting tomorrow night about that very thing. Just wanted to get your input on that so I can say about that one way or the other.

Second, do any of you know about any Girl Scout troops who do Jamboree On The Air on a regular basis? Would like to connect with other Scout troops in October in an effort to both help the girls earn Merit Badges, and, get them interested.

Will await respective replies to these questions.

33,

Cynthia L. Rushton, WB3CNJ

I was invited to give a talk on my ham radio experiences to a class at the Granite Bay Montessori School <http://www.arrl.org/files/file/Classroom%20articles_stories/Lloyd.pdf> in Roseville, California. Although the class is mixed, a good number of girls there have become licensed. They appreciated hearing from an adult YL who is enthusiastic about our hobby.

208. YLs in North Carolina

Yahoo group: ylrl
Date: 2011-09-11 23:52:17 UTC
From: kc4iyd
Topic: 208 Message: 208

Hi all,

We have a new member to the YL list who would like to know if there are any chapters (I am assuming she means YLRL chapters or YL groups) in North Carolina, and about any contests or volunteer events she could help with.

Please reply to the list. Also, if you have joined the group within the last year, please post with your call and QTH so we can get some discussion going here.

I'm the moderator for this group, Nancy KC4IYD/8 and I live in NE Ohio, about 20 miles west of Cleveland, OH.

Hi everyone! This is Carol, KK4CWT. Hi Nancy! Yes, you assume correctly, I would like to know about YLRL chapters or YL groups. I am a new ham, and currently my only rig is a cute little chinese wouxun handi-talkie. I like it, I get good coverage, but I love making contacts and want to earn the Worked All States award from the ARRL, so that means a new rig soon ;-)

I have to go for now, 73s to everyone!

210. YLRL member to present Arecibo Observatory video at Pacificon 2011

Yahoo group: ylrl
Date: 2011-09-12 15:23:54 UTC
From: kp4md
Topic: 210 Message: 210

YLRL member Dr. Carol Milazzo KP4MD, her husband Roger Cain KI6FYF and Nobel Prize Laureate Dr. Joe Taylor, K1JT, are scheduled to present "EME DXpedition to Arecibo" at Pacificon 2011 <http://www.pacificon.org> on Saturday October 15 at 9 AM at the Santa Clara Marriott. This program will feature Carol's new 40-minute video "An Insider Tour of the Arecibo Observatory" <http://www.youtube.com/watch?v=p-FF0zENCfU> where retired engineer Bob Zimmerman, NP4B, will treat us to an exclusive inside look into the latest technology and workings of this famous world's largest radio telescope in Puerto Rico, the National Astronomy and Ionosphere Center. See you there!

The complete video "An Insider's Tour of the Arecibo Observatory" is now posted at http://www.youtube.com/watch?v=kQJawfbjpxw I've been asked several times about the clip from the 1997 movie "Contact" at the beginning of this video. It shows the gifted child Ellie Arroway (played by Jena Malone) calling CQ on an older ham transceiver, later transformed into the adult scientist Dr. Arroway (Jodie Foster) at the Arecibo telescope. It is a refreshing positive portrayal of a young woman in amateur radio who succeeds as a professional scientist.

Subject: [ylrl] YLRL New Website and 2012 Renewal Application

On Wed, Jan 4, 2012 at 1:20 PM, Carol J Laferty <cjfl@...> wrote:

Hi Everyone,

I have taken it on my own to send this email telling you about our new YLRL website. It will have on it the application for 2012, which you can use to renew your membership this year. (This will also be a good check for us to see whose email addresses may not be current.)

Some of you have already done that, and you may be also getting this message. Just disregard it if you've already sent your check. I know who you are and most of you have heard from me already.

Here is the link to our site. http://www.ylrl.hfradio.net/ You will find the application there, which you may print to send in with your dues.
Thanks,

Carol Laferty, Receiving Treasurer

US and Canada

224. Radiogram Pen Pal

Yahoo group: ylrl
Date: 2012-10-04 00:20:07 UTC
From: Krella K
Topic: 224 Message: 224

I have recently starting taking radiogram traffic to practice my message handleing skills. I would like a pen pal to send and recieve radiograms with. If you are interested, please reply with your ham call sign and phone number, and I will send you a radiogram. Thanks and have a great day!

225. DX - NA YL Anniversary Contest - Oct 5-Oct 7

Yahoo group: ylrl
Date: 2012-10-05 00:56:35 UTC
From: kc4iyd
Topic: 225 Message: 225

Hey all,

Just saw this note from WB1ARU so am posting it here:

This weekend is the DX - NA YL Anniversary Contest sponsored by YLRL. This contest encourages DX contacts, but contacts made between states and provinces count too. The complete rules is on the ylrl website:

http://ylrl.hfradio.net/index.php?option=com_content&view=article&id=52&Itemid=160 or http://www.ylrl.org and click on the Contest/DX link.

The contest begins at 1400 on October 5 (that's 10 am ET on Friday) and runs through 0200 on October 7 (that's 10 pm ET on Saturday). You can work 24 hours out of the 36 hours of the contest period.

Nancy

227. The Day of YLs HF Contest - 18-19 May 2013

Yahoo group: ylrl
Date: 2013-05-16 14:28:56 UTC
From: kp4md
Topic: 227 Message: 227

[Cover Photo]
THE DAY OF YLs 2013 RULES (also at http://www.qrz.com/db/F5ISY
<http://www.qrz.com/db/F5ISY>)

Organiser : Carine F5ISY, Sandra HK3JJB, Petra DF5ZV, Katie WY7KRA,
Dunia EA8MT, Helga IN3FHE

Aim of this day : To promote YLs activity around the world

Time : 2013-05-18 06h00 UTC to 2013-05-19 18h00 UTC

Bands : 3,5 - 7 - 14 - 21 - 28 MHz & for the first time VHF also but
outside the relays, of course.

To help competitors to find each other we propose to use frequencies +/-
10 kHz
from the following activity center frequencies:
CW: 3.533, 7.033, 14.033, 21.033 and 28.033 MHz
RTTY: 3.588, 7.044, 14.088, 21.088 and 28.088 MHz
SSB: 3.733, 7.133, 14.213, 14.240, 14.300, 21.233, 21.400 and 28.433 MHz

Modes : CW, SSB, RTTY

Exchanges : RS(T) + YL/OM (e.g. 59(9)+ YL/OM)
The same station may be worked once on each band and mode

Award : An award will be issued to all participants (SWLs also) who has
contacted or heard
for the 33 points with YLs (pdf file):

For OM / YL 2 points
For YL/ YL 3 points
For YL / OM 1 point
Results will be published separately for OM and YLs according to the
number of YLs logged

Logs : Mail log to f5isy at orange.fr <http://f5isy@orange.fr/> not
later than 2013-06-26
Mail object : call + OM/YL + Number of YL contacted + Total number of
QSO

Log software : f1agw.free.fr/AGW_YL/AGW_YL.htm
<http://f1agw.free.fr/AGW_YL/AGW_YL.htm>

You can use also and many tnx N1MM for that :

Dear Ann,
True. Also, although the European YLs reported some local contacts, I gave up after one or two calls when I heard the poor band conditions here on the West coast.

From: <doxsie@...>
Topic: 200 Message: 231

Cynthia I have just joined this ylrl list but I saw your post and I thought I would let you know that I am a VE. My name is Margaret "Susan" Dorris and I live in West Frankfort, IL. Thats southern IL. I have been a ham since 1972 and I am an Extra class.
Who is the list mistress here?

--- In ylrl@yahoogroups.com, <ylrl@yahoogroups.com> wrote:

Dear Ladies:

I have been curious for some years as to just how many female VEs there are in the US and trying to find out that information from ARRL is very difficult indeed. If that information can be determined, and, preferably, broken down by state, it would be sincerely appreciated. I did try to determine that via the ARRL website, but it is extremely time consuming, and some VEs don't list their first names, or, the name used can be used for either gender, hence the difficulty. Hope you ladies can help with that inquiry.

Cynthia,

Finding the amount of female VE's may be difficult as there are 14 VEC's. The ARRL is the largest and administers about Two-thrids of the amateur exams.

I have been a VE since the inception of the program back in the 1980's. Back then there were only 2 VEC's - ARRL and W5YI. Now there are 14. Here is the link to the FCC website listing the 14.
http://wireless.fcc.gov/services/index.htm?job=licensing_5&id=amateur

I took all my amateur exams (with the exception of my Novice) prior to the VE program on the 16th Floor of the Customs House in Boston, MA.

I was giving Novice tests and teaching code back in the 70's. There was no VE program then either. We need to try to get other ladies interested. I know that here in So. IL there are several yl hams but they are not active. Mostly they just talk to their husbands. I run 2 mtr nets every week also one on 80 meter when it's my turn to be net control.
I'll check out your link. Thanks

242. February 13 World Radio Day celebrates Women in Radio

Yahoo group: ylrl
Date: 2014-02-13 12:49:20 UTC
From: <kp4md@...>
Topic: 242 Message: 242

World Radio Day 2014 13 February is World Radio Day – a day to celebrate radio as a medium; to improve international cooperation between broadcasters; and to encourage major networks and community radio alike to promote access to information, freedom of expression and gender equality over the airwaves.
As radio continues to evolve in the digital age, it remains the medium that reaches the widest audience worldwide. It is essential to furthering UNESCO's commitment to promote gender equality and women's empowerment.
Through World Radio Day celebrations around the world, UNESCO will promote gender equality by:
Sensitizing radio station owners, executives, journalists, and governments to develop gender-related policies and strategies for radio http://www.unesco.org/new/en/communication-and-information/resources/publications-and-communication-materials/publications/full-list/gender-sensitive-indicators-for-media-framework-of-indicators-to-gauge-gender-sensitivity-in-media-operations-and-content/ Eliminating stereotypes and promoting multidimensional portrayal in radio http://www.unesco.org/new/en/communication-and-information/resources/publications-and-communication-materials/publications/full-list/gender-sensitive-indicators-for-media-framework-of-indicators-to-gauge-gender-sensitivity-in-media-operations-and-content/ Building radio skills for youth radio production, with a focus on young women as producers, hosts, reporters http://en.unesco.org/radioict/linking-generations Promoting Safety of women radio journalists http://www.unesco.org/new/en/communication-and-information/freedom-of-expression/safety-of-journalists/ We invite all countries to celebrate World Radio Day by planning activities in partnership with regional, national and international broadcasters, non-governmental organizations, the media and the public.
On 13 February, let's celebrate women in radio and those who support them!

246. Banaba DXpedition

Yahoo group: ylrl
Date: 2014-03-31 09:56:56 UTC
From: Ann Santos
Topic: 243 Message: 246

Anne,

The Dxpedition was great. Nothing like any other trip I have ever been on. It was not only a DXpedition but also a humanitarian effort. We had a dentist with use who saw 65 patents and pulled over 160 teeth. He also taught dental hygiene and left toothpaste and toothbrushes. We also brought with us 100 pair of croc shoes for the children, school supplies and soccer balls. There are currently about 370 people living on Banaba.

248. YLRL Martha “Marte” Wessel, K0EPE, a nd her OM Pete Wessel, W0CM, both SK

Yahoo group: ylrl
Date: 2014-10-03 00:17:29 UTC
From: kc4iyd@...
Topic: 248 Message: 248

The following was on the ARRL site and I wanted to share it with everyone:

10/01/2014
YLRL Stalwart, DXer Martha “Marte” Wessel, K0EPE, Low-Band DXer Pete Wessel, W0CM, SK

A well-known Kansas ham radio couple has died.

Martha “Marte” Wessel, K0EPE, of Liberal, Kansas, died September 23. She was 89. Her husband Walter “Pete” Wessel, W0CM, died 6 days later on September 29 at age 101. Both were ARRL members.

“Liberal has lost a YL legend and a lowband DX veteran,” said ARRL Honorary Vice President Bruce Frahm, K0BJ, referring to the couple.

Marte Wessel was on the DXCC Honor Roll. She oversaw the annual scholarship drive for the Young Ladies Radio League (YLRL http://www.ylrl.org/), to which she belonged for 55 years and served on the President’s Advisory Committee. The scholarship campaign she headed raised nearly $4600 this year.

“Martha was one of the cornerstones of the YLRL and of the Colorado-YLs, of which she was our last charter member,” the YLRL website said in announcing her passing.

An Ohio native, Marte Wessel belonged to the Ohio Ladies Amateur Radio Club (Buckeye Belles), the Quarter Century Wireless Association, Young Ladies International Single Sideband System, and the Quarter Century Wireless Women. She also was an avid bowler, a Red Cross “Grey Lady” volunteer, and a Camp Fire Girls leader.

The YLRL has invited donations in memory of Marte Wessel to its scholarship fund to Linda Hynan, AC5QQ, 1312 Western Ridge Dr, Waco TX 76712.

Pete Wessel, W0CM, a Nebraska native, was well-known as a low-band DXer and also was on the DXCC Honor Roll. A US Navy veteran, he was licensed in 1928 as 9EYE, and subsequently held W9EYE, W9JYW, and W0LYW. In addition to the League, Pete Wessel belonged to the Old Timers Club and was a Life Member of Southern Plains Amateur Radio Klub.

Pete and Marte Wessel had been married for 69 years.

249. DXpedition in Feb and March including a YL

Yahoo group: ylrl
Date: 2015-02-02 00:01:58 UTC
From: kc4iyd@...
Topic: 249 Message: 249

Hey all,

Crissie Staats WD8KUR sent me the email below to put in YL Harmonics but it was too late for the Jan/Feb issue so I'm posting it here:

==========
Hello Yl's

This year my husband, KB8RJ and I, WD8KUR, are traveling on another holiday-style DX-expedition. We will be active on the islands of Montserrat, at Gingerbread Hill, from Feb 7, 2015 for about a week, give or take the time to set up and put away the station at Gingerbread Hill. We then move on to the island of Dominica, Sea View Cottages, for three weeks, Feb 15 to March 8, 2015, same caveat with set up and packing.

Gingerbread Hill , on Montserrat, is a wonderful ham location. It is located on the side of a mountain with wonderful views to the west from the veranda in the Heavenly Suite. This suite contains all the equipment anyone could ever need, from radios, linears, power supplies, and the assorted odds and ends that all hams seem to collect, including tools you might need to fix or rig whatever you may require. There is a 55' tower with a Mosley CL 33, that although a bit "mature" works exceptionally well. We have clear horizon from the Northeast through West, to the South. There is a mountain in the way to the East. The kitchen cupboards are "stocked" with dipoles for all manner of frequencies as well as wire and assorted equipment to make your own antennas, not to mention all the other stuff that hams donate to this site. The Heavenly Suite is on the top floor of a three floor rental villa, and generally all three floors are booked for various contests throughout the year. It really is a spectacular location for a retreat and an exceptionally wonderful ham location. The hosts are extremely helpful and do not mind when long wires and dipoles are strung up in their trees.

My call on Montserrat will be VP2MUR, My husband will be VP2MRS. He wonders how he got that call--says I should have it instead--go figure?! We will be active on 10 meters through 20 meters.

On Dominica--no calls assigned yet--we have a cottage in Sea View Cottages, on the Northeast Side of the island. We have not been there before so this is a new experience for us. The owners are ham-friendly and tell us that we can put whatever wires we require up in their trees. For this location we need to take all our own equipment. We are taking our Icom 7000 with power supply, our Buddi-Pole as well as assorted dipoles. We took our Buddi-Pole with us last year when we traveled to St. Marten and Saba and found it fairly easy to use, although it takes a bit of finesse to get the best performance from this system. We are new Buddi-Pole users are are still learning how make optimal use of it---something about the learning curve--we are on the curve somewhere. Listen for us. We will only be running 100 watts.

We will be active on Dominica from Feb 15 through March 8, give or take the time it take to set up and then pack up our station; frequencies, 10 meters through 20 meters. We return to the USA on March 10.

I look forward to working as many of you as I can. I hope to check into the DX-YL on net on Mondays and reconnect with some I met there when on Montserrat in 2013.

250. YL-OM Contest 2015

Yahoo group: ylrl
Date: 2015-02-07 18:51:19 UTC
From: kc4iyd@...
Topic: 250 Message: 250

Hey all,

Sorry for the short notice but the YL-OM Contest is this weekend. I thought it was next weekend so if you get this in time, here is the info:

YL-OM Contest
1400 UTC Feb 6 to 0200 UTC Feb 8

participants may work only 24 hours of the 36

ELIGIBILITY
All licensed men and women operators throughout the world are invited to participate.
PROCEDURE
OMs call "CQ-YL" and YLs call "CQ-OM."
OPERATION
All bands may be used except WARC bands. Net contacts and repeater contacts do not count. Participants may work only 24 hours of the 36 hours in each contest. Operating breaks should be indicated in the log
EXCHANGE
Station worked, QSO number, RS(T), ARRL section, VE province, or country. Entries in log should also show time, band, and date.
SCORING
Phone and CW will be scored as separate contests. Digital contacts (RTTY, PSK31, etc) count as CW. Score each band separately. One point is earned for each different station worked on each band; YLs count only OMs and OMs count only YLs. Add together the QSO points earned for each band. Multiply the number of QSOs by the total number of different ARRL sections/VE provinces/ countries worked. A multiplier is counted only once in each mode (ie SSB, CW). Contestants running 5W or less will be considered QRP and earn a power factor of 3. Contestants running 5W to 100W will be considered low power and earn a power factor of 1.5. Contestants running over 100W will be high power. If no transmitter power is listed on logs, no power factor will be given. LOGS
All logs must how your ARRL section, province, or country to qualify for awards. For each QSO, logs must show the station worked, QSO number given and received, RS(T) given and received, the ARRL section, VE province, or country of the station worked, time, band, and date. Logs must also state the power output used and the operating breaks taken. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet. Remember to file separate logs for each contest. Logs must show claimed score. All logs go to the current YLRL Vice President and must be submitted within 30 days of contest ends.
AWARDS
Highest scoring YL, OM, YL group/club in SSB and CW will each receive a first place cup provided there are at least 10 valid contacts. The second and third place winners in each contest will receive certificates. The winner of the SSB contest cup is also eligible to win the CW cup. Certificates will be awarded to the highest scoring YL, OM, YL club/group of each U.S./province/country, provided there are at least ten valid contacts on the log.

251. Upcoming contests, QSO Parties and other ham events

From: kc4iyd@...
Topic: 252 Message: 252

Hey all

Hopefully you have the yahoo group set up to read html so the info below should show up as in the email. There are also 3 files that I put in a folder called IYL 2016.

Nancy
kc4iyd/8

BYLARA
BRITISH YOUNG LADIES AMATEUR RADIO ASSOCIATION
Mrs Carol Hodges 2E1RBH Chairmam 27th October 2016
Marine Cottage
1a Clements Lane
Chiswell, Portland
Dorset DT5 1AS.
Tel No. 01305 820400
carolhodges1@btinternet.com mailto:carolhodges1@btinternet.com

Dear

International Young Ladies Conference 2016
Well, I have finally got round to getting these Invitations out to everyone and I extend my apologises for this long wait since announcing that we would hold it next year.

It has been a very hectic time for me as I had Hamfest at the end of September and then RSGB Convention the second week in October this year. Both where 2-day events but with stay over days to set up and take down and they are both situated a very long way away from where I actually live.

They where both important because they had Sponsors to meet and the backing of the RSGB Amateur Radio (Royal Society of Great Britain) and Hamfest was the launch and agreement of Members of my own Club (BYLARA) to give the final go ahead. They will both back us in ways that will make your visit more enjoyable.

I have attached the following:

a) IYL Convention Invitation Letter which gives you all the details of the forthcoming Event. This includes prices of the Hotel for the 7-day stay. It is not compulsory to stay there if you can find a suitable alternative. I would let you know that we have managed to get a £50.00 per night discount on the price. There is also a special Booking Number that the Hotel has given us for our personal use. You will find this on the Booking Form and is open until June 2016 when the prices will revert back to the original. The Form is very easy to complete and return to me. Please Book your Hotel place direct with them. Anyone who would like to use their Motor Home can contact me and I will book you into a site where some of us are staying and if I know early enough we will be able to be together in a Group.

b) Tri-fold Brochure showing you a brief glimpse of the places we propose to visit. These should be booked and the monies for them must be paid to: Judith Brooks G4IAQ, Treasurer on 01509 556286 or Email Judithbrooks@ntlworld.com mailto:Judithbrooks@ntlworld.com
c) There are also some Website links for you to have a look for yourselves at what we have arranged.
d) A Booking Planner which has been provided for you to book into the Hotel (special number included) and also any of the other events that we are putting on and the Coach prices to these Venues. Please complete this Form and return to me and I will collate the information and pass it on to the Treasurer and Secretary. Please do not feel that you are obligated to go to them all so please identify those you wish to attend. For costs of these please make a cheque payable to BYLARA and include with your Planner when you return it.

We are hoping you will all be at the RSGB Convention meeting at the end of our week. BYLARA will have a Stand there for 2 days that I shall be manning. They also have a Gala Night (cost of which is shown on the Booking Page) that we can go to if we so wish. It has been suggested by some of our Ladies that we have our own Dinner Night at the Hotel instead. I would like to know your thoughts on this please.

If you need any more information please get in touch with Judith (email & telephone no. above) if it is financial or me if it is a general enquiry.

Below is a check list for your convenience:
a) IYL Invitation Letter
b) Tri-fold Brochure
c) Booking Planner
d) RSGB Gala or Dinner Night at the Hotel
e) Bletchley Park
f) Woburn Abbey
g) Hotel/Motor Home/Other
h) Coach Travel

I hope the above helps and look forward to hearing from you in the near future. I hope you are able to attend this Convention and I look forward to welcoming you to
Our IYL Convention - Year 2016.

That looks like something to be corrected. The info is on the web page, but
you have to go to the application to find it!
Dues are to be sent to Carol Laferty, K4SAF, 55 E. Cardinal Lane,
Clearfield KY 40313. It would be appreciated if you could download the
application and fill in the bold (or red) areas especially. It helps to
keep the database updated with e mail, phone, address, etc.

Here are a few pondered musings:

How can we assure the relevance of the YLRL to the large influx of newly licensed YL's with VHF only privileges?
In what ways may we help overcome prejudice (envision the disapproving glares of roomfuls of curmudgeons) and other barriers to YL inclusion and leadership positions in the amateur community?
How may we better foster self-confidence and respect for YL operators among the greater amateur community?
How can we help capacitate our members to serve as role models and mentors for our youth?
Should the YLRL approach the ARRL to collaborate on a Memorandum of Understanding with the Girl Scouts complementing the existing ARRL-Boy Scouts MOU? 33, Carol KP4MD

Carol:
I can TOTALLY understand, and be 100% supportive of, each and every one of those statements. I have greatly SUFFERED at the hands of the aforementioned curmudgeons and still suffer at the hands of such people.

I have been licensed for 40 years effective 6/12/16, worked my way up the license classes to Amateur Extra class effective December 1997, got a Registered Instructor designation, which I still am, and, VE accreditation in December 1997 which was revoked in May 2010 for which the ARRL refused to answer just WHY it was revoked, other than the fact that no wrongdoing was involved, and I now live in South Central PA, far from the curmudgeons whom I suspect were behind the inexplicable revocation for no wrongdoing.

As to the Girl Scouts, yes, indeed, that should indeed be implemented, this from a female who was a Brownie, Junior, and Cadette as a girl and young woman, and an Assistant Leader, and has been an implementing person who wishes to help girls and YLs be involved in amateur radio just as much as the boys and young men. Sorry to sound like a ranting complaining woman; however, each of the things just mentioned can be verified through independent sources. Yes, there is a female President of ARRL, and the VEC is ran by a woman, and there are Section Managers and at least one Division Director who are women; the fact remains, however, that females in positions of authority are, at best, a small fraction of authority within ARRL, something I pointed out to ARRL, yet, I and my OM are Life members.

Female amateur radio operators are largely Technicians, the lowest license class now being tested, and comparatively few are General, Advanced, or Extra class licensees. Such girls and women are often not actively encouraged to upgrade and hold higher license classes, and female RIs and/or VEs are not favorably looked upon, either, though, of course, this would be denied and/or evaded. This can be verified through the VEC, and, via QRZ and ARRL statistics. That is DEFINITELY something that CAN be rectified, and ARRL should be held accountable for all its actions, positive and negative, and, most important of all, be much more equitable in its power structure, as well as transparency in its actions. Too few people have too much power, and too much power is prone to not truly representing ALL amateurs in all their statuses.

If this message isn't posted due to sounding like a self serving rant, I will understand. It is my sincere hope that in coming months I will be in a much more permanent address and house, and, once that occurs, I will then begin to be much more active in amateur radio again as I have been in years past. The past calendar year has been full of upheaval and changes, and I will be SO glad when it ceases, so I can do what I enjoy, not just things that are, in one fashion or another, forced upon myself. I will, however, say THANK YOU VERY MUCH for bringing up the issues you mentioned, and will be completely supportive of you in those very same issues, rest assured.
33/88,
Cynthia L Rushton, WB3CNJ

I am a member of 2 ham clubs. I got my tech and General licenses thru the first club. I was not encouraged by this group to upgrade to Extra. I was encouraged by the second group, and it was thru them that I upgraded. A member of the first group was there when I took the test, afterwards we had a conversation. I was told in no uncertain words that I was not allowed to use EITHER of the clubs 2 meter repeaters, and I was told 3 times in that conversation that I would 'have more fun' with amateur radio if I 'struck out on my own.' This particular person has come to exemplify for me personally the meaning of the word "curmudgeon". Now I understand why the 2 meter repeaters are monitored by all club members but never used. Club #2 is vastly different, and when i leave the first club I will not be leaving the second. I have participated in JOTA with the boy scouts last year, mainly because of my little brother. I want to include the girl scouts this year but am not sure how to go about it. I think a girl scout MOU would be wonderful! I was a brownie and girl scout too, and this would be a good thing for young ladies. I want to help in any way possible, count me in!

263. Radio and Wireless Technology Girl Scout Patch

Yahoo group: ylrl
Date: 2016-06-17 02:38:36 UTC
From: kc4iyd@...
Topic: 263 Message: 263

I wanted to pass along this information in case anyone, like me, works with Girl Scouts.

This is from the ARRL Letter 06/16/2016

=========

The ARRL has begun offering a new Girl Scouts “Radio and Wireless Technology http://www.arrl.org/girl-scouts-radio-patch” patch program that offers opportunities for participants to learn about wireless technology, including Amateur Radio. Scout leaders and Amateur Radio volunteers associated with the Greater Atlanta Girl Scout Council, and Girl Scouts of the Green and White Mountains developed the program to incorporate information and exploratory activities that provide a backdrop for understanding radio communication. The program will encourage Girl Scouts to take on activities in which they will gain knowledge and skills, as well as kindle an interest in science, technology, engineering, and math (STEM) subjects and careers.

“The initiative for the program came about through my conversations with hams who wanted to work with Girl Scouts as well as Boy Scouts and wanted a patch program that would introduce ham radio, as the ‘Radio’ merit badge does in the Boy Scouts,” said ARRL Education Services Manager Debra Johnson, K1DMJ. “I was introduced to a group of leaders with Girl Scouts of Greater Atlanta who wanted to work in developing a new fun patch program for radio that would fit with the Girl Scout Leadership Experience http://www.girlscouts.org/content/dam/girlscouts-gsusa/forms-and-documents/about-girl-scouts/research/transforming_leadership.pdf structure. This group was joined by Jill Galus, KB1SWV, of the Girl Scouts of the Green and White Mountains in New Hampshire. We collaborated on this over the course of several years.” Galus’s father, “Skip” Youngberg, K1NKR, and a team from the Nashoba Valley Radio Club http://www.n1nc.org/ helped test drive the new patch program during “Thinking Day on the Air” this past February with Girl Scouts in Raymond, New Hampshire.

The program defines the requirements for Girl Scouts to earn the patch at the Brownie, Junior, Cadette, Senior, and Ambassador levels. Girl Scouts can learn the fundamentals of radio communication and wireless technology from broadcasting to smartphones and apply what they learn to connect people, provide safety, and explore related careers. In addition to acquiring the fundamentals, participants can explore radio science through hands-on learning with Amateur Radio, and use radio to talk around the world and for public service. They also can learn about the role of wireless technology in everyday life and in careers. The program supports the Girl Scout Leadership Experience by enabling participants to discover, by exploring the natural world to learn about radio communications and wireless technologies; to connect by using knowledge of wireless technology to understand its capabilities and its limitations, and by becoming an informed citizen who understands how wireless technologies are regulated and used, and to take action to make a difference in their communities by making friends through radio contacts, providing public service and emergency communication, and raising awareness of career opportunities.

KC4IYD/8 de WB3CNJ:
Wow! May I request that any YLs living in PA who are, or want to be, involved in Girl Scouts, decide to invite Girl Scouts to Field Day so they can get their feet wet, so to speak, in amateur radio. I was involved with Girl Scouts in WPA, but since am now in EPA, will have to see if I can locate a local council for my area. May I share this with the local Girl Scout council in my area, please? Since I am, and have been, a Registered Instructor with ARRL for 19 1/2 years now, I would absolutely love to get young girls and teens interested in and/or involved with amateur radio.

Hamvention to be held at Greene Co. Fairgrounds in 2017

By Megan Kennedy
Published: August 1, 2016, 1:26 pm Updated: August 1, 2016, 2:26 pm

XENIA, Ohio (WDTN) – Days after Hara Arena announced it will close its doors, an announcement from Greene County officials revealed that Hamvention will be held at the Greene County Fairgrounds next year, according to our partners at the Xenia Gazette.

The event for ham-radio enthusiasts generated about $21 million last year and drew a crowd of more than 27,000 for Montgomery County. The proceeds for this year's event will now go to Greene County.

"The Dayton Amateur Radio Association (DARA) regrets to inform our many vendors, visitors and stakeholders that, unfortunately, Hara has announced the closing of their facility," a news release from Hamvention General Chair Ron Cramer last week.

"We all believe this new venue will be a spectacular place to hold our beloved event," Cramer said. "Please rest assured we will have the event on the same weekend and, since it will be in the region, the current accommodations and outside events already planned for Hamvention 2017 should not be affected."

Here's a link to the announcement..
http://livestream.com/wdtn/liveevent/videos/131626045
http://livestream.com/wdtn/liveevent/videos/131626045

I'm sure that there will be more to announce in the coming days..

73,

Scott, N8SY..

268. YLRL Forum at the Oct 14-16 ARRL Pacificon Convention

Yahoo group: ylrl
Date: 2016-08-05 14:15:06 UTC
From: kp4md@...
Topic: 268 Message: 268

We are planning a YLRL Forum for the October 14-16 ARRL Pacificon Convention http://www.pacificon.org in San Ramon, CA.
If you are interested in assisting with planning or participating, please contact me at kp4md@arrl.net

33, Carol Milazzo KP4MD
YLRL District 6 Chair

Forum Description

YLRL Forum - In this forum, we will present an overview of the contributions of women (YLs) in Amateur Radio, the history and mission of the Young Ladies' Radio League and the past and present challenges to women in amateur radio. Attendees will discuss their interests and activities and network to investigate strategies to promote role models, mentoring and greater YL participation in the amateur community. New youth outreach opportunities, such as the Maker movement and ways to implement the new ARRL "Radio and Wireless Technology" Patch Program in local Girl Scout troops will be discussed.

YLRL Forum at October 14-16 PACIFICON Convention Join us at the YL Forum to include all YL operators, and members of YL clubs and groups at the October 14-16 □□Pacificon□ □□ARRL□ Pacific Division Convention http://www.pacificon.org/ at the San Ramon Marriott. The forum to be held on Saturday, October 15 at 4 pm in the Pleasanton/Danville Room will include a presentation on historical background information and current achievements, issues and challenges that YLs face in the amateur radio community. Individual YLs and representatives of YL clubs and groups are invited to describe their programs and accomplishments at the forum. The forum will be open for all participants to discuss their interests and activities and ways that we can network together.

We seek YL Pacificon attendees who can help tend the YLRL Exhibit in the corridor some time during the convention. If you are interested in speaking at the YL forum or in tending the exhibit table, please e-mail Carol at kp4md(at)arrl.net now.

PACIFICON is the annual ARRL Pacific Division convention, held each year in October. It is THE premier amateur radio conference in the western U.S. See you at the Pacificon!
